BITTS and PIECES

HERO OF THE YEAR

America used to be a country where every red-blooded boy wanted to grow up to be President. Then came Nixon, Ford, Carter, Reagan, Bush; each an icon of impotence. What kid would aspire to fill the trousers of these stale fogies?

The Presidency needed a jolt, and William Jefferson Clinton has been the man to pump fresh blood into the Oval Office. Bill Clinton has restored the inappropriate hard-on to its highest ranking, and he is HUSTLER's 24th Anniversary Hero of the Year.

Bill Clinton has the appearance of a man who, despite a sexual-misconduct lawsuit hanging over his head, has engaged in an 18-month affair with a woman less than half his age.

Beyond that, President Clinton gives every appearance of being a man who enjoys his dalliances, even as he denies them.

The meat-eating American male can be proud of Bill Clinton as President. Bill Clinton is this country's ultimate role model. Our lives will be fuller and happier if we adopt his methods and manners.

Inside accounts agree that Clinton has consolidated his power to concentrate on the issue that is uppermost in every vital American's agenda—stray pussy.

As recounted in Paula Jones's lawsuit, Arkansas state-troopers "were instructed by Clinton to approach women and to solicit their telephone numbers for the Governor, to drive him in State vehicles to rendezvous points and guard him during sexual encounters...to help Clinton cover up his activities by lying to Hillary about her husband's whereabouts."

Every guy worth his nut has lost

BILL CLINTON

wives or encountered trouble in the workplace or been disgraced among members of his church due to reckless pursuit of trim, but who among us can say that he has endangered his career, his marriage, his standing in the community and compromised national security, all for the sake of an extracurricular blowjob from a girl who could be a classmate of his daughter?

Bill Clinton's legend gained such fame that on January 17 of this year, the President submitted to a daylong interrogation about his sex life. It is doubtful that Nixon and Bush could fill an entire hour with their combined sex lives.

Clinton's answers to his inquisitors are instructional. Any honest male can squirm out of trouble at home by using Bill's patented White House methods.

Pick a story, and stick to it.

Clinton insisted to reporters that he did not urge Monica Lewinsky to lie to legal interrogators. When asked if he had talked to Lewinsky at all, Clinton repeated that he had not advised her to lie.

Discredit the accuser. Clinton depicts Dolly Kyle Browning, a friend from childhood who has described a long-running relationship with Bill, as jealous and unhappy that she never slept with him.

Shift blame to others. Bill Clinton was not involved in finding a New York job for Monica Lewinsky. Bill's friend Vernon Jordan was in charge of Monica's job search, at the request of the President's secretary.

Express outrage at accusations. "I'm going to follow the law," said Clinton after his deposition was leaked to the *Washington Post*.

"Somebody in this case ought to follow the law."

Split hairs. In an interview after Monica became America's most famous alleged cocksucker, Clinton insisted there "is" no sexual relationship between he and Lewinsky. That's not saying there never was.

Use language that might mean anything. The President has repeatedly denied an "improper" "sexual" relationship with young Monica.

If offense must be admitted, distance and minimize. Clinton acknowledged that he did have sexual relations with Gennifer Flowers, but claimed that relations occurred just one time, way back in 1977.

Claim virtuous motives have been misunderstood. Bill suggested that his perceived mauling of Kathleen Willey was actually an embrace and kiss on the forehead intended to comfort her.

It Works! "I forgive him," said evangelist Billy Graham, "I know the frailty of human nature. He has such a tremendous personality that I think the ladies just go wild over him."

Not every Republican and feminist empathizes with the Reverend Graham's compassionate understanding of President Clinton's tumescent frailty, but HUSTLER does. Bill Clinton has brought America's Magazine and Billy Graham to common ground, something no public figure has done before him.

Our President may not become the first leader of the Free World to suffer impeachment for following the imperative of his dick, but he has made the Hero's attempt to grab that slice of history. The red-blooded HUSTLER man cannot help but follow in Bill's boots.

Mattel Inc.: Corporate toy-maker Mattel has filed a lawsuit against a British men's magazine and a German version of *Men's Health*. These periodicals published photos of Barbie and Ken dolls engaged in simulated

Fart in the Wind

sex. According to Mattel's suit, Barbie and Ken's "wholesome and aspirational" image has been damaged by the "improper, sexually explicit positions." A Mattel lawyer contends that

since 1959, when Barbie was introduced, Mattel has tried to ensure that the doll is never "associated with anything obscene, vulgar or distasteful." Except for the Assholes that make her.

NOT TO BE TAKEN SERIOUSLY. LETOURNEAU'S FACE STRIPPED ONTO OUR MODEL'S HEAD.

What kind of teacher gets knocked up by a 13-year-old student, goes to jail and breaks parole to flee the country with her pubescent lover and love child? Severe bipolar depressives, according to court-appointed psychiatrists who testified in the trial of 36-year-old Seattle teacher Mary Kay LeTourneau. But at HUSTLER, we believe America needs more teachers with the convictions of courageous cradle robber Mary Kay LeTourneau.

Congratulations, Mary Kay! Thanks for making learning fun and reproductive.

Urine HUSTLER

I read in the April '98 *Feedback* that HUSTLER will be featuring women urinating in the June and July issues ("Pissy Posse"). I can hardly wait. You had better plan on printing some extra issues. I gamble that the magazines will sell out quickly. HUSTLER made an excellent decision in pursuing the peeing trend. My compliments to the staff. Does HUSTLER have any suggestions for purchasing a peeing video?

—M. R.
Grafton, Ohio

We hope *Daisy: Fetish Peddler* in the June '98 issue temporarily relieved your yearn for urine. And how about that golden squat in our current centerfold? For information about obtaining micturition movies, check out "Yellow Tide: Female Piss Videos Stream Onto the Market" in this month's *Erotic Entertainment*.

Whore Tour

My wife and I are very interested in the HUSTLER article about the Bunnyranch brothel in Nevada (*Down the Rabbit Hole: Horny Hopping at the Moonlight Bunnyranch Brothel*, Holiday '97). We have three children, two girls and a boy, all over 18 years old. Last summer, we took the family on an erotic tour of Europe. We attended swingers' parties in Sweden, France and Holland. We are hoping that HUSTLER can supply us with information about sex parties in the United States geared for adventurous families looking for a good time. —K. J.
Goleta, California

For a fucking great family vacation, grab the kids and condoms, and head to the Edgewater West Adult Resort, as featured in *A Family's Affairs: Two Swinging Generations of Open Marriage* in the May '98 issue.

Monica Madness

I am disappointed in HUSTLER. Where are the articles about Clinton and Sex-gate? Monica Lewinsky appeared on the

—R. A.
Broomall, Pennsylvania

in dining establishments that contain rich men and big buffet tables. For an oral history lesson in Presidential politics, tour super-stud Bill Clinton's hall of shame on page 10.

Bubba's Secret Service

After seeing the Paula Jones pictures in the March '98 issue ("Paula Jones Without Makeup," *Bits & Pieces*), the only sense I can make of the alleged advances is that the President wanted a blowjob from a girl uglier than his daughter. In the same issue's cartoon about Bill's bent pecker, I reason that Monica Lewinsky and Bill Clinton didn't necessarily have to be in the same room for oral sex. His cock could have curved around the wall. Now that I think about it, Bill's dick must be bent to fit around Paula's seven-inch schnozz and into her nasty mouth.

FEEDBACK

time with sex sage Jeanna Fine. In this month's *Dear Slut*, she offers sound advice for swingers in "Erection Infection." See the *Feedback* response to "Whore Tour" for party directions.

Pictures of Willy

Does HUSTLER know of any contests like *Beaver Hunt* where men can send in nude pictures of themselves? I know America's Magazine used to run "One for the Ladies" back in the '70s. Please let me know. I'll stay loyal to HUSTLER until the day I die.

—A. S.
Virginia Beach, Virginia

Publications that display photos of naked men without an accompanying female run the risk of being branded a different kind of men's magazine.

Father Knows Best

I will never purchase another copy of HUSTLER Magazine. Why? I did not find the joke regarding the girl who receives a penis from her father after her mom leaves for work funny at all (*HUSTLER Humor*, April '98). I cannot believe that anyone who has a mother, daughter or sister could find the joke even remotely humorous. You have forced me to purchase other magazines for the beautiful women I used to enjoy in HUSTLER. You ought to be ashamed of yourselves.

—J. W.
Via Internet

HUSTLER Humor is words and ink, not actual accounts of real people and actions. We can only assume that you erroneously believe HUSTLER advocates child molestation by running a joke about a taboo subject. Your flawed logic reflects your limited sense of humor.

Vision of Racial Harmony

I have an idea for a future lesbian layout. I'm excited by the thought of a white and black woman together. The white woman straps on a dildo and fucks the shit out of the surrendering black female. Strap it on, HUSTLER!

—D. H.
Camp Pendleton, California

Hot and Bothered

Congratulations to L. D. from Fairburn, Georgia, for sending in the "Lube Tube" letter (*Hot Letters*, April '98). This is the most disgusting letter I've read in all of my life. I felt turned on and nauseated at the same time. L. D.'s story was original, unique and disturbing, to say the least.

Where did he come up with the idea of jerking off with Liquid Drano before fucking his girlfriend?

—J. P.
Mandeville, Louisiana

We should be asking you, J. P. Hot Letters come from the minds, experiences and pens of readers like yourself.

Nothing for Something

I wanted to let HUSTLER know that some of the companies selling sex films in the back of the magazine will rip off the buyer. I ordered nine tapes for \$32 in July of last year. I still have not received my tapes. I wrote the company several times. They claim to have never received my check. I photocopied my cashed check and sent it to them. I demanded my tapes or my money. After seven months of waiting, I have received nothing. I'd pay to stick the tapes up their ass.

—A. S.
La Cygne, Kansas

Hustled by Playboy

I've been a longtime reader of HUSTLER. Your magazine is wonderful. The women blow my mind. I have a request for a future pictorial. I saw a *Playboy* layout that featured the Swedish Bikini Team. I want HUSTLER to reshoot the pictorial and show off the pink that

Hugh Hefner is afraid to print. The girls were beautiful, but the models in *Playboy* never spread their legs. How about stripping the Swedish team out of their bikinis? HUSTLER could display the Scandinavian sluts sucking juicy twats and fucking one another with dildos.

—J. M.
San Jose, California

HUSTLER's pink pages prove that the only pussy revealed in Playboy is Hugh Hefner himself.

Jane Hancock

Every issue of HUSTLER is great. You always have hot-looking women. A hobby of mine is collecting autographs. I was wondering if it was possible to buy signed HUSTLER centerfolds?

—R. H.
Mishawaka, Indiana

Included with the usual sticker price, every HUSTLER Honey of the Month personally signs her centerfold and even adds a few choice words of inspiration.

GRAFFILTHY

THANKS AND \$50 GO TO CHARLES Y.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

BISEXUAL BLUES

A few months ago, my girlfriend admitted to fucking her sorority sister while I was home on Christmas break. Now my girlfriend thinks she's bisexual. She says she loves me and is committed to the relationship, but I'm worried that she'll cheat on me again. Can dick alone satisfy a bisexual woman? —S. E.

Palo Alto, California

Your answer lies in the question. Bisexual people are sexually attracted to males and females. Unless you're a hermaphrodite with both sets of utensils, your girl needs more than just your tool. If she's made a decision about her sexuality, you have to accept her orientation. I suggest you view her craving for cunt as a dream-come-true. Parlay her new sexuality into a steamy three-way with another hot chick. If you can't handle the concept of your girl stepping out for snizz, you need to move on.

PANTY PANDEMONIUM

Doing laundry, I noticed the waistband of my lace panties had been stretched. With a little detective work, I discovered my boyfriend likes to wear my silky drawers. When I confronted him about his choice in underwear, he became sullen and embarrassed. —J. P.

Schenectady, New York

As long as you're not dating Marv Albert, don't stress. Your boyfriend's predilection for panties is quite normal—nothing more than a jumble of leftover childhood emotions caused by feeling Mommy's silky slips. Purchase some

large-size lingerie for him. Play dress up together. Incorporate the new angle into your lovemaking. Tell him how sexy he looks in his panties. Ask him to describe the sensation of satin on his cock.

CHEAP FUCKER

My cousin recently visited Las Vegas and paid \$160 for a blowjob. I think he should have haggled with the hooker. Do most prostitutes start with a high price and expect negotiation? Or is bartering bad business? —T. S.

Sacramento, California

I can't imagine sucking a stranger's cock for less than \$1,000. God bless those girls who work for minimum wage. If you want a cheap meal, buy a Big Mac. Don't go to Spago's and argue about the price of lobster. Hooker-friendly Las Vegas charges high rollers a little more for hummers than most American cities. One hundred and sixty dollars sounds like a fair price for oral favors from a beautiful woman. Ugly women work for less. But remember, you are fucking her face. Always let the girl approach you first when soliciting sex. By law, undercover cops cannot make the first move on would-be johns. If you insist on a fiscal debate, don't talk shop

in public. Haggle with hookers in the privacy of your car or hotel room.

ILL SHIT

When I fuck my girlfriend in the ass, she demands that I wash my pecker before I stick it back in her pussy. My trip to the bathroom ruins the rhythm of the sex. She claims that shit from her butt causes an infection. I think that both holes are so close, a little poop shouldn't make a difference. Is she right? —A. C.

Drain, Oregon

You ungrateful bastard. Feel blessed your girlfriend pleasures you with her body. Your complaints fall on deaf ears. If you think that a trip to the bathroom ruins the rhythm of sex, how about fucking an infected pussy and peeing painful green cream cheese? Yes, your girlfriend is absolutely correct. Bacteria from the colon cause terrible infections in the vagina. Never allow impatient dicks to go directly from the asshole to the pussy without a thorough cleaning.

Aim to Thrill

FULLY ERECT

Directed by Brian "Cheeks" Williams; starring Solveigh, Kiki, Mia Ciccerio, Sinderella, Tina Mint, Dave Hardman, Kyle Stone, Stoney Curtis and Steve Hatcher. Videocassette: VCA Platinum.

Most people bumble through life, searching for their purpose in God's grand scheme. From their nut-wrenching performances in *Aim to Thrill*, porn players Solveigh and Sinderella have found their true calling blowing skin flutes. Solveigh, a decent-looking, mulatto tramp, sucks Dave Hardman's dick like a high-powered shop vacuum. In return, Hardman tongues her wrinkled bung and frothing slash. Face glistening with girl glaze, Hardman pile-drives his pecker into her bruise-colored butthole and instantly spills spuzz. A helium-filled skeleton, Sinderella seems little more than baby bones and a fuzzy twat eagerly awaiting a stuffing. Sinderella's tiny mouth gift wraps a cock bigger than her forearm. With a crazed look in her eyes, Sinderella, an ex-Max Hardcore fuck doll, ad libs, "I'm a lying, little fucking whore," while Steve Hatcher dumps choad on her alabaster tummy. Shot after shot, *Thrill* drills the pink bull's-eye.

—Mitch Shepard

AIM TO THRILL: Solveigh curls up for cramming.

AIM TO THRILL: Kiki and Solveigh salivate on bone.

AIM TO THRILL: Hardman feasts on Solveigh's slime holes.

XRCO AWARDS

Fuckers Are Honored
at Adult-Industry Soirée

Several hundred of the nation's most distinguished filth mongers gathered at the West Hollywood, California, Wyndham Bel Age Hotel on February 6 for the 14th annual X-Rated Critics Organization (XRCO) awards.

Tarted up in their finest slutty attire, porn starlets mingled with XXX directors, producers and woodsmen in black-tie in the Bel Age Hotel's elegant ballroom, chatting socially before the awards ceremony.

"How wonderful to see you!" gushed an elegantly dressed tramp to director Gregory Dark, kissing him lightly on the cheek in the manner of a high-society madam.

Dark shot her a puzzled look and mumbled, "Hi." The trollop sashayed into the crowd.

"I don't know what I'm supposed to talk about," Dark complained. "What's the use in talking to girls unless you're fucking them or shooting them in a movie?"

"If you expect people to start humping on the tables," warned the emcee at the start of the awards show, "you don't give the people of this industry enough credit."

Timber and Ember Haze
freshen up in the ladies' room.

In the lobby, porn sirens furiously humped each other on the tables, hoping to have their pictures taken by raunch-press paparazzi.

The XRCO awards were voted on by an esteemed academy of raunch critics, including reviewers from HUSTLER. Among the winners were Gregory Dark's *The Psychosexuals* for Best Video Feature, Paul Thomas's *Bad Wives* for Best Film Feature, Jill Kelly for Female Performer of the Year, Nikita for Starlet of the Year and Chloe for Unsung Siren of the Year.

"Congratulations on your award, honey!" Jeanna Fine exclaimed to Chloe with an affectionate slap on her ass.

"Jeanna's so nice," Chloe enthused. "I don't really know her, but she once fucked the shit out of me with a dildo."

"They're all a bunch of cock smokers," observed Robert Black, after being passed over for Director of the Year. "Fuck them all."

Bubblegum Babes Volume One

THREE-QUARTERS
ERECT

Directed by Rolling Images;
starring Chelsea, Nicolette, Sylvia
and unnamed stud.

Videocassette: Xavier Productions.

Bubblegum Babes showcases the all-natural talents of girls who look barely old enough to take candy from strangers. No gimmicks, such as pigtailed or bobby socks, are needed to make these fecund, amateur tramps appear cherry-ripe; they are truly just 18. Chelsea, a flame-haired nymph with long, gazelle legs and fresh-sprouted cream buds, skips through a field admiring the farm animals. She squats. Her parted butt cheeks form a Cupid's bow with a fuzzy quiver in the middle. Urine gushes and splashes her toes. Could nature offer a view more lovely? It does when Sylvia, a milk-skinned blonde, spreads her fuchsia bung-hole and allows herself to be gently sodomized by a trusted friend. *Bubblegum Babes* bursts balls sweetly.

Extreme Strictness in Morals

ONE-QUARTER
ERECT

Directed by Jack; starring Stephanie Swift, Missy, Anna Malle, Holli Woods, Angelica Sin, Alyssa Love, Candy Hill, Mickey G., Hank Armstrong, Brian Surewood, Rich Handsome, Dave Hardman, Rick Masters and Kyle Stone.
Videocassette: Puritan.

Defining the '90s buzz-word *extreme* is tricky, especially in reference to the video's nonsensical title. The overused adjective modifies modern sports, such as snowboarding or bungee jumping, when participants incorporate unconventional tricks or balls-out aggression. What's extreme about *Extreme Strictness in Morals*? Not much. Thanks to Gregory Dark's legions of imitators, a rainbow-

haired clown sodomizing a girl's cotton-candy-pink butt-hole has become commonplace in porn. Missy's feeble slurpjob on husband Mickey G.'s wand elicits yawning. Cherubic Holli Woods's dazzling smile, brilliant-blue peepers and innocent airs breathe new life into *Extreme Strictness in Morals*, but not enough to bring it back from the dead.

Backstage Sluts #1

HALF
ERECT

Directed by Jef Hickey and Matt Zane; starring Jacklyn Lick, Holli Woods, Brittany Andrews, Alyssa Love, Raylene, Mila, Julie Rage, Ian Daniels, Rick Masters, Lemmy, the Alkoholiks, Nellie Pierce, Zoli Teglas, Insane Clown Posse, Sean Rider, El Duce, Alec Metro, Coal Chamber and Craig Setari. Videocassette: Zane Productions.

Backstage Sluts #1 lures the gullible consumer with the prospect of seeing depraved punk groupies in action. Instead, *Sluts* delivers paid, professional porn skanks porking in the usual positions. In between are interviews with genuine music-biz talents, such as El Duce, leader of the Mentors. "You get an air-head at the truckstop," El Duce babbles, expounding his seduction technique, "and you go, 'Bitch, you gotta get down on the dick!'" Note to anyone considering El Duce as a possible role model: Shortly after this interview, the Don Juan of truckstops stumbled onto a train track and was shredded by a locomotive. The jam sessions put on by various XXX talents prove more gripping than the tall tales of backstage debauchery told by the assembled dullards of rock. Violent J, the white-boy rap poseur from Insane Clown Posse, brags of his sexual prowess, but proves himself a ball-less Clown when an actual, ready-to-slam porn slut enters the tour bus, and Violent J flees. *Backstage Sluts #1* is a mediocre performance.

Sex TV: Nubian Princess

THREE-QUARTERS
ERECT

Directed by Santino Lee; starring Niiya Lee, Deelicious, Sexxy, Cheyenne, Mocha, Q. Lee, Giovanni, Giovanne, Ron Bossman and Santino Lee. Videocassette: New Sensations.

With the subtlety of a crack addict sucking cock for rock, *Sex TV* drags a 20-dollar bill through the shady side of the city in a search for cinema sluts. Director Santino Lee enlists beaucoup balloon-chested, big-booty bitches for his second installment of porn verité *Nubian Princess*. Hiking up his gut, Lee captures the double-penetration debut of video virgin Niiya Lee. His bone buddy, bearing a shocking resemblance to a pudgy Cuba Gooding Jr., spreads Niiya's legs like peanut butter before inserting his varicose-vein pipe. Surrounded by chocolate goodness, Niiya's cunt gapes open with a swirl of color: pink, yellow and white, like the center of a Cadbury Creme Egg. Santino pulls apart the two basketballs that form Niiya's well-endowed buttocks and burrows Alabama black snake into her dirthole. Hot-faced and humiliated, Niiya bugs her eyes as two tummy sticks play poker in her piss and shit slots. *Sex TV* numbs the brain and palm with ebony ecstasy.

Mind Games

HALF
ERECT

Directed by Jim Enright; starring Marilyn Starr, Chloe, Johnni Black, Alyssa Allure, Deva Station, Christi Lake, T. T. Boy, Tony Tedeschi, Peter North and J. J. Videocassette: Wicked Pictures.

Real life mimics art in *Mind Games*. Tony Tedeschi overacts as an Italian greaseball porn producer bankrupt of ideas for his next fuck flick. Tedeschi brainstorms with two ass-licking assistants. His annoying Stallone impersonation voices the visions that become video reality. A blonde in metal lingerie looks like the Tin Man with tits, as she aggressively attacks beefcake J. J. for a messy lubejob. Tedeschi takes on double-wide Marilyn Starr and a frog-faced brunette in a sick game of Twister, sinking his plastic-coated pecker balls-deep in pedestrian pussy. T. T. Boy anally abuses doe-eyed Chloe, slapping her clit as if the meaty nub were an unwanted stepchild. Boy terminates the coupling by catapulting cum into Chloe's velvet-soft kisser. International male Peter North ogles rodent-faced Christi Lake's gigantic yogurt sacks while throwing rod into a bulbous blonde, slathering the two tramps in man mayonnaise. *Mind Games* fucks around, but comes through with some prick-stiffening results.

SEX TV: Mocha braces for a rough ride around the bed.

MIND GAMES: Marilyn Starr, *di über slut*.

Female Piss Videos Stream Onto Market

Cunts have an assortment of uses. They look nice spread out on a bed or the back-seat of a car. They (often) taste good. They are fun to fondle, pleasurable to fuck and make excellent sperm repositories. Cunts also piss, but until recently, only a trickle of videos was available to quench the thirsts of female-micturition enthusiasts.

Mother Productions, based in Orange County, California, is now flooding the mail-order market with femme-urination videos, *Peeing, Volumes One to Three*. Each pee-hole epic is saturated with chicks pissing all over the place. They squat on counters and spray kitchen sinks, climb trees and rain on the grass, drain bladders in showers, stand and squirt like men, hike skirts and fill champagne glasses, crawl into cat boxes and pee like animals, dribble onto (hotel room) couches and, of course, whiz into good old-fashioned toilet bowls.

Each *Peeing* video presents 12 to 20 up-close, thigh-quivering, anus-twitching views of pink-pussy geysers in action. The cost of each video is \$35 to \$45.

Mother Productions' illustrated catalog is a source for special-interest vids, such as knocked-up sluts, lactating mamas, bondage bitches and lady freaks with pussy lips big as "bat wings."

A Mother Productions catalog may be ordered for \$5 by phoning 1-800-200-0420.

Son Doobie, Porn King

ONE-QUARTER
ERECT

Directed by Ron Hightower; starring Son Doobie, Sophia, Menaja, Juicy, Yasmine Pendavis, Kimberly Kummings, Karen, China, Devlin Weed, Byron Long and Dave Hardman.
Videocassette: Vivid.

Only hard-core fans of rap will recognize Son Doobie, the big-eared, muppet-voiced rapper of Funkdoobiest, in his adult-film debut. Before skewering a kinky-pubed clam with his ivory tusk, stunt cock Dave Hardman fails to disguise the lie to a brown-sugar slut: "You've never heard of Son Doobie? He's the biggest rapper around." Son Doobie's biggest asset appears to be his ego and capacity for self-delusion, not his Puerto Rican pud. Three heinous "Doobie girls" fawn over the pint-size pop artist as he flaps his gums about trips to Barbados and jet planes. General repugnance, gold fronts, swap-meet jewelry, gang tattoos, stretch marks, ingrown hairs, scars and hair extensions are requisites for entrance into Doobie's harem of pit-bull-faced princesses. Doobie hides his chicken butt in a pair of Sears boxers and dunks his dork in three shitters before eking out a meager dribble of nut sauce. Mostly playground boasting, *Porn King* stays true to the rap game and to the unfortunate, ugly reality of the street.

ONE-QUARTER
ERECT

Directed by Wesley Emerson; starring Kelly O'Dell, Alexandra Silk, Nicole London, Morgan Fairlane, Candy Apples, Annah Marie, Roxanne Hall, Mike Horner, John Decker, Steve Hatcher, Vince Vouyer and Kyle Stone.
Videocassette: VCA.

Bobbing on a blood bone until her face breaks a sweat, Alexandra Silk blows rod like a potential suicide trying to choke

herself to death. 2 A.M. manages to be a bore anyway. A sure sign of tedium is noticing the acne on a trollop's butt cheeks, as well as the unhealthy coating of white fur on the tongue of the horndog munching her beef flaps. The addition of ball slime to the tramp's stubbly, plucked-chicken skin does not improve the picture. Remember that bar from every other VCA video that has a bar in it? It's back again, this time serving as backdrop for a dreary, condom-wrapped stuffing in which the viewer notes that ace lighting technicians have discovered a method for making the flesh on every scrow in 2 A.M. look like sandwich meat that has turned shades of gray. 2 A.M. should be put to sleep.

Russian Rhapsody

THREE-QUARTERS
ERECT

Directed by Roy Alexandre; starring Anouska, Erika Bella, Reka Gabo, Eva Evanovich, Lazlo Bart, Mike Foster, Firenz Lang and Andrew Youngman.
Videocassette: Roy Alexandre Productions.

The majesty of certain images never fails to captivate the imagination—a beautiful sunset over a romantic beach, a waterfall tumbling from a volcanic cliff, a chick being ass-fucked while her girlfriend tongues the excess lube dribbling into her clam and the climactic, chunky spray of scuzz into both bitches' faces. There are no sunsets or waterfalls in *Russian Rhapsody*, but breathtaking perversions abound. The plump piles of joy atop Erika Bella's chest spend most of *Rhapsody* gyrating at high speeds as various blunt, skin-covered instruments hammer her cervix and sphincters. At one point, two chuds muscle into Bella's baby chute at once. The all-brunette cast of ex-Commie sluts is subjected to vigorous keisterings throughout. *Russian Rhapsody* is a jubilant celebration of sodomy.

Videocassette: Xcel.

Other than the gentleman arrested in Los Angeles recently for allegedly planning to ass-rape Academy Award-winning helmsman Steven Spielberg, most healthy individuals don't fantasize about having sex with directors. Anita Rinaldi's behind-the-camera efforts in *Planet Sex*, coupled with her behind's enticing on-screen appearance, ensure her position as a director worthy of stiff pricks. Offering almost as many sugar-glazed holes as a doughnut shop, Rinaldi serves the confectionary cunts in a fist fucker's feast of DPs, gang-bangs, double-dick clam crammings and wad-splating atrocities of anal violation. Rinaldi bares her frontal melons and shaved split in the finale; regrettably, the helmscunt goes unfucked. *Planet Sex* is a good place for one-handed stalking.

P. Ronnor, Dan Miller, Craig Lee, Bud Lee, Stryker, Leaf Erickson, Jonathan Morgan, Mike Horner, Alec Metro, John Decker and Steve Hatcher. Videocassette: Adam and Eve Productions.

What is considered talent in adult cinema: a slut's ability to play Chopin on a harpsichord, or her capacity to squeeze two boners into her juicy slit while mouthing a third cock? The obvious answer eludes *Appassionata*. Bright star Asia Carrera plays a time-traveling pianist in this overblown, boneless blunder, dragging the viewer from 19th-century Vienna to present-day Los Angeles. In bad form, Carrera tickles the ivories with her fingers more often than a turgid cock tickles her ivory teeth. The musical score, something like the soundtrack to a Grey Poupon commercial, sucks more dick than any chick in the flick. With amazing tits and ass like Carrera's, the viewer cares not if she plays the piano, as long as she fucks. The glossy stylization and period costuming, as well as the long-distance overhead lensing, waste Carrera's true talents. More cerebral than sexual, *Appassionata* fails to stimulate. —M. S.

Dear Slut

(continued from page 14)

If your wife's number of partners distresses you, you should have used your abacus before you married her. Don't ask an honest woman questions if you can't handle her answers.

MISDIRECTED YOUTH

I am an 18-year-old film student. My goal in life is to direct porn movies. I have absolutely no idea how to start my career aside from moving to Los Angeles or New York City. Any advice? —S. R. Austin, Texas

I know several successful straight-film directors who used pornography to learn their trade and earn a spot behind the camera. Many cinematographers subsidize their incomes by lensing porn. You definitely need to be in Los Angeles to work in the business. Before you hop on the bus, write a simple sex story, and shoot an adult couple engaging in intercourse. As long as the viewer sees, hears and gets off to the sex, you're heading in the right direction. Pack an open mind, a willingness to work hard and your reel into your suitcase of dreams. Submit the tape to an adult-entertainment company that specializes in amateur tapes, such as Homegrown Video. If they like what they see, they will ask you for more.

ERECTION INFECTION

My wife and I joined a sex club through a local listing. We attended a couples-only party. Everyone used condoms. A few days later, my wife developed an infection. Do actors in the porn industry develop infections despite the fact that participants are "disease free"? —D. T. St. Joseph, Missouri

Disease free is a relative term. We are only free of disease as of the minute the test comes back negative. The lapse of time between the doctor's office and the porn set or bedroom opens the window for pesky germs. Having hours of sex with multiple partners makes a pussy raw and sore. Combined with strangers' spit and dirty hands, infections become commonplace. No orgy is risk-free. I recommend that you continue to limit the risk factors. Ask partners to wash their hands and scrub under their fingernails before playing doctor.

EXPLOSIVE ORGASM

I am a 22-year-old female. Often when I'm climaxing, I have a gas attack. I feel so ashamed and unsexy, I don't want to make love anymore. Will an antacid help to avoid the embarrassing situation? —K. J. Fort Collins, Colorado

The muscle contractions that accompany an orgasm expel bowel gas. Avoid foods that cause noxious fumes, such as broccoli, beans and cabbage. Antacids won't cure flatulence. They only stabilize food in the stomach. Farts are born in the colon. Don't fuck near any flames.

PUNGENT PUBES

I love to eat my girlfriend's pussy, but sometimes her clam smells fishy. I think her pubic hair is part of the problem. Do shaved vaginas smell better than musty, hairy ones? —D. B. Jackson, Michigan

Yes, odors cling to hair. Furry kitties inspire a slightly stronger outward aroma than shorthairs. As soon as you part her meat curtains, you'll whiff her natural musk. I suggest showering before sex if the odor offends.

LOOSE LIPS

I am a 48-year-old male. I recently married my third wife. I've had sex with plenty of women in my life. I'm not a prude. My new bride admitted she has fucked more than 400 men before me.

Her astronomical number of partners makes me uncomfortable and unattracted to her. I love my wife. How can I overcome this feeling? —R. C. Oklahoma City, Oklahoma

If your wife's number of partners distresses you, you should have used your abacus before you married her. Don't ask an honest woman questions if you can't handle her answers. Her sexual history indicates she's not been satisfied with one man. Only time and fidelity will quiet your fears. If you married her because of love, the numbers shouldn't make a difference. If you married her because you thought she was a virgin, then you're the 401st guy she's fucked.

JEANNA FINE

Do you have a question for Jeanna? Write to *Dear Slut*, c/o HUSTLER, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail at slut@lfp.com.

Two daydreaming pussies transform a float in the pool into a fantasy of life-raft raunch.

"Oh, no, Faye," cries buxom Tawni. "We've run out of food and water!"

Tawni's first mate opens her well-toned legs.

"We'll have to eat each other in order to survive."

After a few lashing heat strokes from her castaway companion, Faye purrs with pleasure.

"I hope we never get rescued...."

the size of the models' clitorises. Larry Flynt Publications offers specialty magazines featuring breasts, legs, fetish and legal teens. Maybe HUSTLER could do a magazine with women with big clits. How about a publication called *Meaty Beaver*? Also, I was disappointed that photos didn't accompany the *Sex Play* on hermaphrodites ("Natural Born Hermaphrodites: Why the Medical Community Is Telling Intersexuals to Go Fuck Themselves," April '98).

—D. S.
Lorain, Ohio

We at HUSTLER are wary of a magazine dedicated to women who stand up to pee out of the tips of their big clits.

The Debate Continues

I can't believe all the talk about Jill's hairy bush (*Jill: Jungle Bush*, Holiday '97). I thought her muff was a little furry for my tastes, but not enough to detour me from buying HUSTLER. I can't believe how many readers were bent out of shape. I like a little hair under the armpits and on the pussy, but I guess you can't please all of the people all of the time. Shaved pussies are pretty, but hair makes a beaver better.

—J. M.
Hazlehurst, Mississippi

Rehashing Hashish

Picking up an old issue of HUSTLER to look at the girls for the 50th time, I decided to read the articles. I loved the story about Amsterdam (*Red Lights, Big City: Penetrating Amsterdam's Sleaze District*, November '97). I was wondering if HUSTLER could provide the addresses for some of the cannabis clubs?

—M. L.
White City, Florida

HUSTLER correspondent William McWeary left the following message in regard to your letter, M. L.: "I vaguely remember a cobblestone street near some canals. People were riding bicycles. I was hungry. What was the question again?"

The Issue at Hand

Larry Flynt, I think you are brilliant. HUSTLER is the best magazine in the world. Let's be honest—*Playboy* and *Penthouse* suck. I am the number-one reader of HUSTLER. I used to own almost every issue. But due to fire, theft and friends that borrow and keep magazines, I am missing some of my favorite

HUSTLERs. How do I order back issues? Thank you, Mr. Flynt. America's Magazine keeps me happy and helps my self-esteem.

—L. B.
Salt Lake City, Utah

Self-esteem is important. Call subscriptions at 1-815-734-1142 to replace any missing months of America's Magazine.

Horsing Around

I wrote in last month asking about movies where women have sex with a horse ("Hung Like a Horse," *Feedback*, June '98). My buddy claims horses are too big to mount a woman. He mentioned

that ponies fucking women is much more realistic and believable. What's the technical difference between horses and ponies?

—C. C.
Albuquerque, New Mexico

GOLDEN ANNIVERSARY

Twenty-four years of HUSTLER is a very good thing. My love affair with America's Magazine began way back in the 1970s; I've faithfully renewed my subscription vows ever since. On the other hand, being married to the same woman for only one decade is like the worst prison sentence imaginable. I'm talking about lockdown in a split-level, suburban penitentiary where there's not even an occasional shower rape to liven the proceedings.

The most exciting sex I have with my wife, Flora, takes place on those rare occasions when she allows me to keep the lights off. Then I can fantasize about fucking a HUSTLER centerfold...like Veronica (*Veronica: Tailor-Made Twat*, May 1998). Good Lord, look at those dark, furry pubes! In this picture, she's got a finger right up her ass. I'd sure like to check Veronica's temperature. Does anyone else think she could actually be Sandra Bullock under a fake name? Veronica, if you're reading this, I'm a six-foot stud with 12 inches of manpower beneath my belt!

Jesus Christ, who am I kidding? I'm a 5-4, broken-down shell of a nebbish, and I couldn't sprout half a foot of hard-on with a pump's aid. Sometimes I wish a thug would put a bullet through my brain and end my pathetic joke of an existence. However, death means never opening the mailbox to see that plain, brown wrapper containing my monthly ray of sunshine—the

latest issue of HUSTLER! Thank you, Lawrence C. Flynt, for providing me with a reason not to deep-throat the barrel of a shotgun.

As you can tell, I take my smut seriously. That's why I nearly pissed a bitch this weekend. My postal carrier (who happens to be a flirtatious, good-looking ginch in her own right) arrived empty-handed. The rotten, letter-slinging cunt didn't even bring one of Kmart's "Back to School" catalogs to salve my penile pain.

I shouted, "Where's my fucking HUSTLER?" Suddenly, the friendly, neighborhood mailperson became an uptight bitch. She turned red, stuck her nose in the air and stormed off to the next house—but not before I screamed, "Fuck you too, Miss Shit Don't Stink!"

The brouhaha piqued Flora's interest. I heard my wife call my name from the

bathroom, like she always does. And I ignored her, like I always do. After all, she usually just complains about being stranded on the bowl because I forgot to buy toilet paper. Or she demands a foot massage to help relax her muscles during a stinky bowel movement. Unfortunately, Flora's screeching didn't let up; so I held my nose and reluctantly entered the john.

Flora was straddling the throne, all right, but she wasn't pinching a loaf. She was pinching her swollen clitoris between her first and middle fingers! Immediately, I spotted my missing HUSTLER splayed upon the bath mat; heavy breathing and a pungent poon aroma seemed to emanate from the crapper's every corner.

Breathily, my hot-and-bothered ball-and-chain asked, "Is this what you're looking for, Doug?" Flora's digits

"They really should have him neutered, and maybe they should do something about that dog too."

Hot Letters

Perhaps I had married a closet pee freak. That would explain her tendency to barge in whenever I take a leak. All this time, I thought she wanted to catch me beating off.

pulled apart the damp love lips that concealed her pink, inner treasures. There was no mistaking the excitement that rushed to her nipples; the milk spouts stood proud and erect upon her peach-colored mamscape. It pains me to admit how much I still love Flora's knockers. Thank God for that staggering set, or I would have left her and taken up with a common street whore many moons ago.

While my wife gouged her inflamed twat, I grabbed the new **HUSTLER**. Normally, Flora gets mad when I wank to the magazine, but, hey—I caught her pink-handed! I dropped my pants and commenced a torrid pounding of the pud.

Something caught my eye within the boy/girl pictorial Flora so pointedly studied. Among the searing shots of fucking and sucking, a slinky, female model let loose a yellow stream of steaming urine. So that's what made my significant other grow significantly damp in the panties! Perhaps I had married a closet pee freak. That would explain her tendency to barge in whenever I take a leak. All this time, I thought she wanted to catch me beating off.

"Excuse me," announced Flora from her porcelain seat. "Are you going to spend our entire anniversary masturbating in the corner, or are you going to come over here and fuck me?" Oh, my God! I'd been so preoccupied with the arrival of a new **HUSTLER** that I forgot to buy some cheap flowers at the freeway off-ramp. This was a delicate situation, requiring a bold, decisive move. Cock in hand, I turned to face my partner of ten years.

"I'm preparing your anniversary present," I grinned, aiming my dink toward Flora's exposed chest. "Get ready to be covered in gold." The words lit a fire behind my wife's eyes; hopefully, she wasn't expecting jewelry. I remember how disappointed she was with last year's "pearl necklace."

Delivering on the pissy promise proved to be a challenge. Any reader who woke up with a hard-on today will know what a Herculean task I faced. Urinating through a throbbing erection is about as simple as fucking with a limp dick, and not half as fun.

I took a deep breath and let the feelings flow. Yes, my member's aroused state did ruin my aim; most of the bladder splatter flew up and hit Flora in the face. Luckily, she didn't seem to mind. In fact, the horny bitch loved it! Flora grabbed my prick and squeezed hard, eking briny squirts down her thirsty gullet.

"Swallow the yellow dick load," I grunted. Final drops of wet love trickled from my urethra, which Flora promptly sucked dry. Soon she was in full blowjob mode, gobbling my johnson as she continued her down-south diddle. My nut sac rested comfortably in Flora's free palm until she yanked the balls, pulling me out of her mouth and onto my knees.

She ordered, "Eat my cunt, then stick it to me." I examined her beefy labes and amber pubes. My curious digits prodded her womb walls. Considering the amount of time I've spent staring at that vage, Flora looked pretty good. Unfortunately, I'm really fucking sick of eating her pussy. Call me insensitive, but the way her clam slurped and sputtered with the addition of each new finger, she was damn well ready for a beef injection. Hell, she'd probably thank me later for cutting to the chase.

I hoisted Flora's feet over my shoulders and porked her on the toilet seat. Immediately, my joint was buried to the hilt. As I stated earlier, I don't have a very big dick; however, I'm trying to make the point that Flora was wetter and more willing than she has been in years. At least since high school, when I was

still able to talk her into threeways with my ex-girlfriend.

The lovemaking's moist nature had everything to do with the addition of pee to our fucking equation. When Flora ripped off my shirt, our chests pressed together and were nearly sealed by my urinary leavings. I dug the sticky sensation. Flora was perfectly wedged beneath my thrusts; so I no longer needed to grip her ankles. Instead, I planted both hands firmly upon her rump and stretched the cheeks, allowing greater access to the depths of her sex. My downward strokes allowed for a clitoral friction that sent Flora over the orgasmic brink.

She cried, "Ohhhh, I'm going to come! For the first time since 1992, I'm actually coming!" Apparently, Flora had been faking it for quite some time. There's no way to feign the vibrations that engulfed her honeypot during our potty tryst; Flora shook and spasmed right off the toilet seat. Thankfully, her slide to the cold tile floor occurred at the same time as my own climax.

Towering above my wife's prone, nude body, I unleashed the second blast from my love cannon. This time, the discharge was milky and accompanied by

I let one hand continue frigging Nina's button while the other spanked her bouncing bottom. Mexican girls are usually big in all the right places, and Nina was no exception.

an endorphin rush that made my head spin. I collapsed next to Flora, who smeared the spermy, pissy mess all over her teats and stomach.

Yeah, I know—sounds like a pretty romantic anniversary for a guy who can't stand his wife. I can play the loving hubby now and then...but my heart belongs to HUSTLER. By the way, a quick suggestion for the 25th Anniversary Issue: Get a gorgeous model to piss on every copy!

—D. W.
Hendersonville, North Carolina

THE MAN WHO LOVED LAP DANCING

Ever heard about the Latin dance-hall phenomenon? It's incredible! You pay eight or nine bucks to enter a giant ballroom filled with the hottest Mexican chicks on the planet, all wearing skimpy outfits. Then you simply approach a stacked senora and ask, "*Gustas bailar?*" Roughly translated, that means, "Would you like to dance?" As long as the chiquita is alone, she'll always say yes—unlike the stuck-up cunts north of the border!

I found some real dirty dancing by trying out the line, "*Gustas suck my gringo pecker?*" Most of the sluts didn't know what the hell I was talking about. The one who did speak my language was a winner: a full-bodied, bronze-skin beaner bombshell named Nina. Her response to my Spanglish opening line was a sexy smile that curled across her broad, sexy features. Maybe she didn't actually know what I was saying either. But, *mamacita*, the jugs on this beautiful creature! They jutted straight from her neon-green, skintight dress. I was almost afraid to join her on the dance floor; what if I slipped in a puddle of my own drool...or worse?

My bodily-fluid fears quickly evaporated to the tune of a salsa beat. I was hypnotized by the rhythm—not of the music, but of Nina's floppers jiggling up and down at a perfect tempo. No wonder Mexicans have so many kids; I was ready to slide my unsheathed gourd between her saucy thighs on the spot! The cry of my *cajones* went unheeded as I played it cool, flailing my limbs in a desperate attempt to keep up with Nina's swiveling hips.

By the time the band stopped playing, I was exhausted. Nina noted my sweaty state and led me toward a cool, dark corner of the club. I collapsed in a nearby folding chair. To my delight, Nina took a

seat in my lap! Her weighty butt pressed against the lump that threatened to tear my boxers. My hands slid under her polyester hemline, but Nina shot me a delicious glare and slapped away my explorations.

In the next room, the band kicked into another set of their Mexican oompah. Like a woman possessed—or, rather, an ass possessed—Nina's backside moved to the music. This time, I grabbed for her hips, and the hottie didn't stop me. I've never had such a large, firm pair within my grasp. Each gyration of Nina's nether regions jostled her jugs free from brassiere captivity. Before the song's first chorus, the ta-tas bounced loose and bare. I generously tweaked each nipple; Nina moaned and hiked up her dress.

My grasp of the language is almost as sloppy as Nina's tits; so I didn't understand what she babbled before unzipping my pants. Since I didn't hear any mention of el herpes, I went ahead and pulled aside her thong panties to make room for *papi*.

Nina howled, "*Aiiieee!*" The first several inches penetrated her pepper. I could tell she wanted the rest of my shaft, but she had to wait for her slit to adjust. Being hung like a burro has its

disadvantages. To keep myself entertained, I played with her pronounced clitoris. The manipulations had a loosening effect on Nina's crack; she slipped down my pole with a satisfied groan. Our mouths fused together as we bounced to the music.

My tube steak treated Nina to a fast, merciless drubbing. Cervix met dick head in a tango of ecstasy. I let one hand continue frigging Nina's button while the other spanked her bouncing bottom. Mexican girls are usually big in all the right places, and Nina was no exception. Even her smooth, warm belly had a little something extra...just enough to make her gyrations more forceful.

A familiar tingle in my testes let me know it was just about time to fill Nina's dance card. She was almost to the point of no return; my ears burned as she screamed a torrent of what seemed like obscenities.

Remembering the cultural customs, I begged, "*Gustas come?*"

"Si," Nina gasped. "I come! I come!" The universal language of orgasm decimated our communication barrier. We climaxed together—another impossible feat for me to pull off with uptight American chicks. As my scum spurted within Nina's recesses, I remember

"Even I, Rush Limbaugh, am not safe. The President tried to feel my breasts as well."

Long Beach, California

CLASS ACTION

I'm a 22-year-old, college-educated woman, and I love HUSTLER—especially the letters. It's cool to see what kind of wild shit the other readers are into. Last month, I read a Hot Letter to my psych class as part of a presentation about gender roles in society. Professor Gruber was so interested, he asked me to stay after class.

"This so-called letter," sputtered Gruber as my classmates filed out, "aside from being offensive, is also unlikely. Do you really believe a woman would hire an African American circus clown named Black Bozo to sodomize her, thereby making her inattentive husband feel jealous?" Gruber contemptuously thumbed through the magazine, shaking his head at each cartoon...and lingering upon each pictorial.

I innocently asked, "What's your point?" Gruber's desk offered a comfortable place to take a seat. When I crossed my legs, I saw the professorial perv's eyes dart for a peek of panties. Tough luck; I wasn't wearing any.

"Well," blushed Gruber. "Ahh...it just seems...well, it seems most women don't enjoy—*ahem*—anal intercourse. I mean, I don't know any who do. Do you...happen to...?" Professor Gruber's question trailed into conspicuously heavy breathing. I'm not a licensed shrink, but I would guess that his distraction was a manifestation of the feelings aroused by the fact that I spread my shapely gams before him, prodded my steamy cooze with one of his ballpoint pens and snuck a pinky finger up my bung.

My ecstatic writhing knocked over a large stack of papers. Gruber didn't even care. He was too busy scurrying to lock the classroom's door. Once security measures had been taken, the sweaty, balding, yet strangely sexy, teach leapt out of his clothes and onto my bones.

"I've always fantasized about fucking a student," he gushed, parking his chrome dome between my legs. "Before, I always taught high school. I would have been run out of town on an *mmf*

mrrgle brrmrr...." The pompous ramblings of a campus lecturer sound pretty good when his tongue is deep inside your wet spot. Those teenage girls didn't know what they were missing; Gruber could teach a far more knowledgeable course in rug munching. He supplied the kind of long, loving licks that make me want to run my fingers through a man's hair. It's too bad Gruber didn't have much left.

Suddenly, the oral attentions were focused in a lower spot: my aforementioned bunghole. A forceful lift from behind my knees positioned my ass for a thorough reaming. I played with my pussy while Gruber drooled a copious flow of saliva into my rectum. Fingers followed; this time, the knuckles belonged to my anal-retentive teacher. He stretched my crinkles as wide as possible and hocked phlegm into the pun-gent cavity.

"Two dreams come true in one day," Gruber chuckled, mounting me as I hoist my legs and lay on my back. "First, I bang a student. Then I try anal sex." The frantic fuck was also a first for me; I had never taken it up the butt in a missionary position. Our configuration took some work, but soon Gruber was rooting within my bowels.

His cock, while not especially long, was fat and fulfilling. My sphincters were definitely worked out.

I exhaled, "Ooohh, Mr. Gruber. Do you want to shoot your load in my asshole?"

"Jesus fucking Christ, yes," he barked, pushing in and out of my large intestine at an increased speed. I stabbed my pussy with a single finger and drove the point home.

"Then pass me," I whispered. "Let me pass your class without doing any of the assignments, and you can pump my shitter full of hot, thick, steaming..." No further description was necessary. Gruber let go, utilizing the semen lubricity for more brutal strokes. Finally, I got off, my eruption contrasted by the palpable sensation of his softening schween trapped in my ass.

Thanks for helping me pass psych, HUSTLER—and happy anniversary! Gruber claims he's going to write his own letter about our rectal rendezvous. If he does, please don't print it. That pretentious fuck hardly needs his head swelled (as my anus can attest). —D. V.

GETTING A READ ON WOMEN WHO LIKE HUSTLER

BY AARON HABERMAN * ILLUSTRATION BY SCOTT MUSGROVE

America's attitude toward sex is elusive. Larry Flynt is back selling magazines in Cincinnati—a city that clamped down on *HUSTLER* more than 20 years ago—but the Religious Right has stepped up its campaign to push a preachy moral rectitude. The adult-entertainment-industry boom is evidenced by the countless number of porn tapes produced each year and the overwhelming popularity of porn conventions, such as Las Vegas's Consumer Electronics Show. Still, many men have to hide their copies of *HUSTLER* underneath the mattress for fear of what their wives and girlfriends might think.

For women, the country's sexual zeitgeist is especially confusing. Sexual-harassment lawsuits now work both ways; an open sexual outlook is often misconstrued as slutty behavior; spend time alone in the Oval Office with the President, and you're embroiled in a national scandal.

Feminists in college classrooms and on the airwaves across the nation try to convince today's women that picking up a *HUSTLER* is bad for their self-esteem, that reading the pages of America's Magazine supports the objectification of women and can encourage physical violence. Truly liberated women know otherwise: Linger over a *HUSTLER* is good, dirty fun.

* * *

"Women are still completely fucked-up in their attitudes about looking at sex," says Susannah Breslin, a sex-columnist for *Details* magazine.

Breslin's contention comes in the wake of anti-*HUSTLER* rhetoric spouted by many female killjoys.

"*HUSTLER* and other skin magazines create a negative self-image for women," contends Carrie Camden, a Los Angeles television-production assistant who attends night classes in feminist theory. "When they see the impossible dimensions of the models, women can't help but feel bad about themselves. It can lead to eating disorders

and poor self-image."

Women in the sex industry, who rely on their bodies for their careers, disagree. "My brother read *HUSTLER* growing up; so I looked at a few magazines," says the fiery, prodigious porn starlet Chloe. "I remember looking at the spreads and then looking at myself. I realized that I didn't look like the girls in the pictures, but it was no big deal."

"A couple of girlfriends and I got hold of a *HUSTLER* when we were in junior high," remembers Valerie, a leggy, 26-year-old regular on the San Francisco strip-club scene. "It was fantastic; we had never experienced any sort of open sexuality like that before. At first we were disgusted, but not for too long. I developed early; so seeing all the busty women made me feel good about myself; they allowed me to feel that my body was nothing to be ashamed of. I

think looking at *HUSTLER* helped me to feel comfortable."

A bigger concern for sour-faced *HUSTLER* critics is an alleged correlation between the magazine and promiscuity. "They're showing women engaged in degrading sexual situations, and the copy that accompanies the pictures suggests it's okay for women to disrobe and have sex anywhere, in any situation," Camden complains. "These magazines promote the idea that women should acquiesce to a man's any desire. It's a dangerous suggestion."

Stripper Valerie concurs with Camden that there is at least one connection between reading *HUSTLER* and her early sexual experiences.

"Seeing a *HUSTLER* growing up didn't make me run right out and have sex—that's ridiculous," says Valerie, "but I bet I was having better sex than any other high-school girl.

Sex Play

"My enjoyment of the magazine is a big turn-on for my boyfriend, and I understand it, because if I'm with a girlfriend, and we're checking out one of the girl-on-girl scenes, I get hot."

"HUSTLER showed me there were other positions to try besides my boyfriend lying on top of me, pumping away. The pictures HUSTLER runs with the porn reviews inspired me to try things I would have thought were nasty, but winded up enjoying. I think looking at HUSTLER is healthy for girls—or women—of any age."

Shelter from HUSTLER at an early age does not ensure a chaste life. "I knew about HUSTLER when I was growing up—everyone did," says twentysomething Sunny, one of the 101 blue-movie starlets featured in Jon Dough's *The World's Luckiest Man*, "but my friends and I laughed about it because we thought it was gross. I hadn't even seen a HUSTLER when I did my first porn scene. Now I read HUSTLER all the time. It's great."

"I lost my virginity at a very early age, before I had ever looked at a HUSTLER," Chloe reveals, "but I don't think looking at nude pictures has anything to do with having sex."

"I remember going to confession shortly after I saw a girlie mag for the first time, and the priest only laughed," sums up Chloe. "It just doesn't matter."

Valerie offers an explanation for why some women bash HUSTLER: "Maybe all the feminists who have a problem with sex magazines didn't get laid right."

"Women are starting to understand how destructive the misogynistic fantasies in magazines like HUSTLER are," harps neophyte feminist Camden. "Everyone is better off if people just ignore men like Larry Flynt, who make tons of money off of frustrated men."

Breslin of *Details* laughs at that notion. "Things are changing," she notes. "For a lot of women, it's a relief to be able to look at graphic sexuality and not feel bad. It used to be everyone saying, 'Sex is bad,' but now women my age—women in their 20s—realize it's just the feminists saying we shouldn't be looking at sex magazines."

"I don't think just because some butchy academic says reading a HUSTLER is bad, I'm going to stop looking at the magazine," concludes Valerie.

With the increasing popularity of HUSTLER among younger women, how does America's Magazine compare with other men's titles for the discriminating female reader?

"As a woman who wants to look at a sex magazine, my choices are limited," laments Breslin. "Playboy's not appeal-

ing, with its cheesy soft-core, and *Playgirl* is disgusting; so HUSTLER is the one for me if I want to enjoy a men's magazine. It's legitimately hot."

"HUSTLER runs edgy pictures sometimes," says porn star Chloe. "Like that picture of the super-hairy woman [*Jill: Jungle Bush*, Holiday '97]: All I could think was, *Man, that slut needs to find a razor!* I'm glad a magazine can still gross me out."

The salacious pictorials are only one portion of HUSTLER's content that goes over well with the ladies. "HUSTLER is hilarious," muses Sunny. "The cartoons are great, and a lot of the articles are funny too, but the best part of the magazine is the advice column with Jeanna Fine. She's been in the business a long time; Jeanna knows a lot about sex."

"*Dear Slut* gives better advice than all the how-to-catch-the-perfect-guy crap you get in *Cosmo*," agrees Valerie. "HUSTLER is giving practical sex advice not only to men, but women too."

"I've always liked the letters," says Chloe. "Reading about the various sexual experiences encouraged me to experiment when I was younger."

A by-product of the fairer sex's interest in HUSTLER is the attention it draws from

the magazine's target readership: men.

"Sometimes at a newsstand I'll be checking out a HUSTLER with a girlfriend, and she'll be writhing uncomfortably, like I'm doing something naughty," offers Breslin. "Of course, if a guy sees me, he'll leer at me like, *Yeah, all right!*"

Valerie has found the powerful male attraction to women who read HUSTLER more beneficial. "My enjoyment of the magazine is a big turn-on for my boyfriend," she explains, "and I understand it, because if I'm with a girlfriend, and we're checking out one of the girl-on-girl scenes, I get hot. Porn magazines can be a great sex tool. I suggest all women should try reading a HUSTLER with their partners."

In the end, there is *one* thing that both the fair-minded feminist and sexually enlightened see eye to eye on: HUSTLER has the right to publish.

"I think HUSTLER is terrible," says a thoughtful Camden, "but Larry Flynt should have the right to put out the magazine."

Chloe couldn't agree more: "There are some things that HUSTLER publishes that even I think are in poor taste. But you know what? I say two thumbs up to that."

**THREE CURVACEOUS
CRITICS JUDGE THE
HUSTLER TOY COMPANY'S
LATEST CREATIONS**

CONSUMER REPORT BY DAVID CHRISMAN
PHOTOGRAPHY BY LADI VON JANSKY

Give a porn starlet a dildo, and you have a love scene. Give two porn starlets a dildo, and you have a fight. Give three luscious porn starlets a crate of the newest innovations in vibrators and clit teasers, and you have the HUSTLER Toy Company's idea of product research.

Dildos

In minutes, the room becomes a chorus of three vibrators, all set to high. The girls moan and make faces at one another as they explore new territories. The audience shifts in their seats.

Women masturbate. Unlike the simple aim-and-shoot *modus operandi* of male onanism, female masturbation is a challenge and an art.

Witness the frenzied manipulation required for a randy damsel to bring herself off. Any aid that makes the lip-biting, hyperventilating process easier is a valuable gift to the human race. The HUSTLER Toy Company is a support group for the mechanically induced female orgasm and is dedicated to empowering the clitorally inclined.

The HUSTLER Toy Company, headquartered in the world's porn capital—Los Angeles's San Fernando Valley—has developed a line of advanced stimuli designed for the adventurous quim. Dildos rotate at their axis in varying directions, at random intervals, like landed trout. Night-lights, vibrating scrotums and revolving, beaded spines snap together in machines called the Love Swan, the Cat's Meow and the Fuck-n-Suction Vibe. This arsenal of power-tool amusement confirms a pledge that the HUSTLER Toy Company lives by: sick minds at work for happier pussies.

On a lazy, rainy, Sunday afternoon at HUSTLER Toy's Pentagon-size plant, three qualified young snatch-diddlers convene to carefully consider the fruits of HUSTLER's labor of love.

Let's meet the judges.

CHARLIE is a well-known porn star and a difficult lay. Her shooting schedule calls for her to rug-munch for the camera on a daily basis, sometimes slurping on-screen quim for 12 consecutive days. Charlie will stick just about anything in her vagina, provided the object is clean and doesn't have a pulse. She knows few penises, but Charlie knows dildos better than most amateur vaginas.

ANGELICA SINN ("that's S-I-N-N") is even more vibrator inclined than Charlie. Chesty, green-eyed and single, she doesn't just use dildos, she needs them. Angelica claims to own only one "very small, very plastic, very durable" vibrator, because she "wore down all the rest."

ALEXANDRIA NICE is Polish and can't conjugate the verb *masturbate*, at least not in English. Alexandria communicates that she owns a dildo that's "big and black." Extracting additional information from her is a futile endeavor without the aid of a Polish interpreter. Her role on the panel is sealed more by the availability of her snatch rather than her conversational acumen.

Each participant takes a seat in the factory's immaculate meeting room. A small audience of HUSTLER Toy Company personnel jockeys for good vantage points. When all are in place, a barrel of HUSTLER Toys is plopped on a table

normally reserved for board meetings. The first dildos are passed around for inspection.

The HUSTLER Dream Cock

Ten out of ten dildos

The Dream Cock is nine inches long and appears to be molded out of the same material used to make orange-flavored Gummy Bears. The fruitiness stops there. Inside this squishy toy are two vibrating eggs, the same kind used in many of the HUSTLER Toy Company's animated products. The eggs work the shaft and scrotum at varying intensity. A juicy Alexandria steps up to the plate.

ALEXANDRIA: [confused] "What do I do with it?"

ANGELICA: "Sit on it!"

CHARLIE: "Come on, girl, we'll get you ready."

Charlie butters the Dream Cock with the included lube and works it into Alexandria's Polish slice.

ALEXANDRIA: [in a rugged Polish accent] "I like this one."

Charlie loads her own Dream Cock and gives her clit a once-over.

CHARLIE: "God, this feels so real."

Angelica follows suit. In minutes, the room becomes a chorus of three vibrators, all set to high. The girls moan and make faces at one another as they explore new territories. The audience shifts in their seats.

CHARLIE: [pointing to the suction cup at the base of the Dream Cock] "I could just see this in the shower, you know, suctioned against the wall. I could get on my knees and do it doggy-style...."

HUSTLER: "To think, electronics and water can now be used safely together!"

ANGELICA: "I'm going to have fun tonight!"

HUSTLER: "Any thoughts, Alexandria?"

ALEXANDRIA: [silence]

The Love Swan

20 out of ten dildos

The Love Swan is a beguiling instrument. The packaging boasts: "One-touch computer-chip reversible, rotating, vibrating and multispeed beaded action." Its shaft is sheathed in a latex barrier. Midway through, a section of peach-colored beads rotates like spinning corn while a swan-shaped clit tickler at the base of the device vibrates and lights up for your nighttime pleasure. The Love

Swan is presented to Charlie, and she screams as if she's seen a long-lost friend.

CHARLIE: "Aaaaaaahhhhh! I love this thing!"

ANGELICA: "I like this one because you don't even have to move it. If you're the type of girl who can't get into most dildos, this is perfect."

With Charlie's help, Angelica squeezes the Love Swan into her box. A perplexed Alexandria deep-throats her illuminated contraption. Angelica manages to insert the toy deep enough for the rotating beads to take effect. She flips the control switches and, for a few brief moments, shuts out the rest of the world.

ANGELICA: "That was absolutely perfect. I'm different shaped than other girls, but somehow this thing finds the right spot. You don't even have to try with this one. It does everything for you."

CHARLIE: "This is the only sex toy my husband is actually jealous of. This would be my bed buddy if I wasn't married."

ALEXANDRIA: "Neisamowite." [Polish for amazing]

Bobby's Bad Boy

Seven out of ten dildos

HUSTLER products are designed to be felt, not seen, but for the sake of visual stimulation, Bobby's Bad Boy comes in a box with a plastic window. This bold packaging exposes a dildo the size and color of a baby's arm, with a plastic tongue emerging from the scrotum. The girls don't notice the anatomical flaw and dive right in.

ANGELICA: [squeezing the apple-size head] "It's very realistic."

HUSTLER: "Even with the tongue coming out of the scrotum?"

CHARLIE: "It's big. I think this dildo is perfect for women who love big dicks. If you can take it really deep, the tongue is like a reward."

HUSTLER: "Do they have anything like this in Poland?"

ALEXANDRIA: [no response]

HUSTLER: "Have you ever masturbated with a Polish sausage?"

(continued on page 70)

Charlie and Angelica join at the snatch.

No one is scared of the huge, mutant Bobby's Bad Boy.

The Love Swan elicits messy Pavlovian reactions from all three.

Beaver Hunt

Grand Prize Winner 1997

PHOTOGRAPHY BY MATTI KLATT

Our 1997 *Beaver Hunt* Winner is curvaceous Missy from San Diego, California. This sun-kissed glamazon is a student whose leisure loves include skiing, biking and dancing. The naturally gifted 22-year-old first graced the pages of *Beaver Hunt* in June 1997 and immediately graduated to Grand Prize Finalist #2 (*Missy: Too Good to Wait*, June 1997).

Missy's physical disciplines maintain her robust California physique, and the \$5,000 prize will undoubtedly help fund her continuing education. HUSTLER's well-rounded lady is an inspiration to readers of fine literature everywhere.

ALEXANDRIA: [laughs] "Yeah."

ALEXANDRIA: "I can't describe."

HUSTLER Oral Pleasure

Nine out of ten dildos

Probably the most innovative of the HUSTLER line, Oral Pleasure combines suction and vibration in a single contrivance. A vibrating, rubber cup is attached to a rubber squeeze bulb that, when properly applied to a woman's erogenous zones, allows the device to suck and stimulate whatever cluster of sensitive nerve endings it's attached to. Each girl selects a different part of her anatomy to be suckled and vibrated. Angelica's Oral Pleasure begins on her nipples.

ANGELICA: "Oooooohhhh. That feels nice."

HUSTLER: "Like the suckling of a hungry babe?"

ANGELICA: [offended] "No! I'm not into that kid thing. It feels like a girlfriend or boyfriend. The sucking is really wonderful. It feels so real. I've never used anything quite like this."

Charlie, meanwhile, squeezes herself into oblivion. Through the clear-plastic

cup, the enthralled crowd watches her clit swell like a biscuit in an oven. After a few minutes, Charlie displays the blood-engorged fruit of her hard work.

CHARLIE: [giggles] "Look at how big my clit is."

Alexandria takes in the scene, dumfounded by the powers of the Oral Pleasure suction.

HUSTLER: "What do you think, Alexandria?"

ALEXANDRIA: [laughs]

HUSTLER: "Alexandria?"

ALEXANDRIA: [silence]

suggested retail: \$30.00

Fuck-n-Suction Vibe

Eight out of ten dildos

The Fuck-n-Suction Vibe is strictly a two-girl or, on a sickening but realistic note, two-fag instrument. The Fuck-n-Suction is a long, cross-shaped combination butt plug, dildo and pussy sucker. It has twin vibrating, rounded shafts on either end and a flared midsection that, when buried deep into a snatch, turns into a vibrating clitoral suction cup. Charlie and Angelica pair up and mount the Toy Company's slick, wooden power table.

CHARLIE: [scissoring her legs against

Angelica's crotch] "This is the permanent girlfriend maker right here. You have to be careful with this one."

Angelica and Charlie struggle to position their twats for dual penetration without losing balance and falling off the lube-coated conference table. Alexandria looks on as her two stuffed cohorts join at the pelvis.

ANGELICA: "I like this for two reasons: One, you have to have a partner, and two, it's my favorite color, purple!"

The pair of dildo explorers buck together like masturbating Siamese twins and eventually find a rhythm. A residue of lube and girl goo has accumulated on the HUSTLER Toy Company's mahogany power table. Angelica and Charlie are too engrossed in their coupling to notice the mystery puddles near their feet.

ANGELICA: [still bucking] "It reminds me of one of those balls with all the suction cups on it. You know those balls? That kids play with?"

HUSTLER: "Do you find yourself masturbating with children's toys often?"

ANGELICA: "Doesn't anybody know what I'm talking about?"

HUSTLER: "What was the first thing you ever masturbated with?"

ANGELICA: "When I was a teenager, I had to find things around the house, like bananas and cucumbers."

HUSTLER: "What about you, Charlie?"

Charlie proudly waves a well-traveled right hand.

HUSTLER: "And you, Alexandria?"

ALEXANDRIA: [silence]

HUSTLER: "Do you feel left out, Alexandria?"

ALEXANDRIA: [silence]

HUSTLER: [much louder and slower] "WHAT...DO...YOU...THINK...OF THE FUCK-N-SUCTION VIBE, ALEXANDRIA?"

ALEXANDRIA: "Amazing."

suggested retail: \$25.00

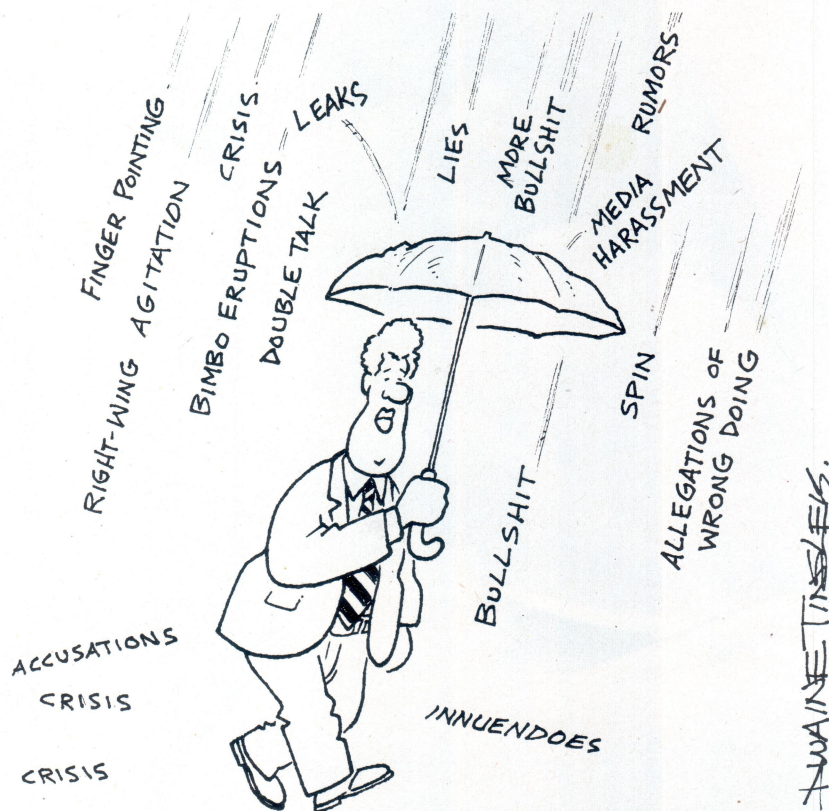

Oriental Dragonfly

Eight out of ten dildos

The Oriental Dragonfly, like it's relative the butterfly, is a hands-free masturbation device. The C-shaped Dragonfly has harnesses that strap around each leg. The latex body of the Dragonfly is filled by a vibrating center that is controlled by remote. The top of the C is a short dildo for vaginal insertion. The tail of the Dragonfly wraps between the legs of the user and can be lodged comfortably in the asshole.

Charlie steps into the Dragonfly. As

ANOTHER DAY IN THE LIFE OF BILL CLINTON

"I like this because you don't have to use your hands. I saw some girl walking around the mall with a butt plug in her butt. This would be perfect for her."

the fore shaft disappears into her snatch, she experiments with the vibration settings. Her moans express her approval.

CHARLIE: *[breathing heavily]* "I like this because you don't have to use your hands. I saw some girl walking around the mall with a butt plug in her butt. This would be perfect for her."

HUSTLER: "How did you know she had a butt plug in her butt?"

CHARLIE: "Because I could hear it."

HUSTLER: "Fair enough. Angelica, what do you think of the Oriental Dragonfly?"

ANGELICA: "These are always fun because you can wear them anywhere, like at the movies or in the car. This would be good on a long plane ride too."

HUSTLER: "Like a plane ride to Poland, right Alexandria?"

ALEXANDRIA: "Maybe."

HUSTLER: "That way, you wouldn't have to pay four bucks for an in-flight movie."

ALEXANDRIA: *[silence]*

suggested retail: \$40.00

The Perfect Orgasm

Seven out of ten dildos

The Perfect Orgasm is high-tech and deftly efficient. Although it appears to be

a standard two-point vibrator, the Perfect Orgasm packs a penetrating punch. By toggling the controls, the user can make the vibrating shaft rotate in random directions. The animation gives the vibe an unpredictable, lifelike quality.

Alexandria is nominated to do the Perfect Orgasm honors. Angelica and Charlie shove the slithering Orgasm into her Polish slice.

ANGELICA: "Look at that thing go!"

CHARLIE: *[screaming]* "Wow! Why can't it be my turn?"

The two struggle to wedge the violent Orgasm into Alexandria, but the unwieldy apparatus won't cooperate.

HUSTLER: "Try turning it off while you put it in, and then turn it on afterward."

Angelica and Charlie exchange perplexed looks and have to be helped. Once inside, the Perfect Orgasm contorts like a fire hose. Alexandria is overwhelmed with pleasure as her other two co-sluts wrangle the force of the Perfect Orgasm.

HUSTLER: "Does the Perfect Orgasm remind you of your Eastern European homeland?"

ALEXANDRIA: "No."

HUSTLER: "Is this better than a Polish sausage?"

ALEXANDRIA: *[laughs]*

HUSTLER: "Do you hate me?"

ALEXANDRIA: *[laughing]* "Yes!"

suggested retail: \$70.00

The Cat's Meow

Ten out of ten dildos

The Cat's Meow is a smaller, more manageable version of the Perfect Orgasm, but equally efficient. The girls immediately pick up on the fact that the Cat's Meow is sheathed in a removable rubber coating.

ANGELICA: "What's this for?"

CHARLIE: *[touching the shaft]* "This part gets all yucky. You can probably take it out and wash it or something."

ANGELICA: "Yeah, exactly—but the vibrator's good because it's hard plastic."

HUSTLER: "You don't think it's too small?"

CHARLIE: "I like it when it's small, because it's not so overwhelming."

Angelica peels the skin off her vibrator and touches its beaded innards.

ANGELICA: "Are those pinecones or something?"

CHARLIE: "Yeah. You can put that one right on the hood of your clit."

Charlie fits her vibrator onto her pearl tongue and drifts into ecstasy.

ANGELICA: "There's this teeny-weeny spot under my clit that goes nuts when that thing touches it. Oh, God!"

HUSTLER: "So you guys seem to like the Cat's Meow."

ANGELICA: "I give it a ten, easily. It's the perfect size."

CHARLIE: "Anything that does two things at once and is really powerful is great. I give it a ten."

HUSTLER: "Alexandria? Any thoughts?"

ALEXANDRIA: *[still plugged into the Cat's Meow]* "Yes...ten."

suggested retail: \$70.00

By this time, Charlie, Angelica, Alexandria and a dozen Duracells are about out of juice.

A final tally reveals that the Love Swan and its illuminated spin cycle has struck a chord deep within the three girls. The candy-colored Dream Cock and power-packed Cat's Meow take a close second. The Dragonfly and Perfect Orgasm also fare well.

For their hard work and profound commentary, Angelica, Charlie and Alexandria are rewarded with a quiver of dildos, vibrators and suction devices.

The used dildos are repackaged and secured by a HUSTLER Editor to be used as research material. 🐱

"I'll forego all the psychological terminology. You're an asshole."

HUSTLER

HUMOR

FROM 24 YEARS OF *Classic* JOKES

Tony the nightclub owner was dazzled by the creative songwriting skills of Marvin, his new piano player.

"What do you call that one?" Tony asked after Marvin finished an up-tempo number.

"That's titled, 'Drop Your Drawers and Sit on My Face.' Before that I played 'Suck My Cock, and I'll Shave Your Pussy,'" Marvin replied.

"Keep up the good work," Tony said, "but do me a favor, Marv; don't announce your songs by name."

The prurient pianist agreed. After entertaining the crowd for a couple of hours, he excused himself for a quick bathroom break.

As he returned to the floor, a female patron called, "Excuse me, sir, do you know your fly is open, and your dick is hanging out?"

"Know it?" Marvin beamed. "Lady, I wrote it!"

Gus went to see a lawyer about a divorce.

"What grounds do you have?" the attorney began.

"Just the usual," Gus replied. "Front yard, backyard and a tiny little strip on each side."

"What I mean to say is, do you have a grudge?"

Gus shrugged. "Yeah, but we keep it so full of junk, we can't fit the car in it."

"Let me make myself perfectly clear," the exasperated lawyer said. "Is your wife a nagger?"

"No," the disgruntled man snorted. "But I caught her screwing one, and that's why I want a divorce."

The HUSTLER dictionary defines *German tampon* as: a twatstika.

Little Johnny surprised his mother as she stepped out of the shower.

"What's that?" he asked, pointing to her vagina.

Flustered, his mother answered, "That is where God struck me with His golden hatchet, Johnny."

Johnny grimaced. "Wow, a golden hatchet right in the cunt. That must have hurt!"

Upset by her husband's lack of sexual attention, Marge decided to add some zest to their love life.

After dinner, the desperate housewife slipped her sexy, backless nightgown on backward. She sauntered into the den where her husband sat glued to the television.

"Notice anything?" Marge asked slyly.

"Yeah, you've got your nightgown on backward," her husband answered.

"How could you tell?" Marge cooed.

"Because the shit stains are in the front," he replied.

Question: What do a can of beer and your mother-in-law have in common?

Answer: They're both at their best when they are cold, open and on the table.

A man suffering from the final stages of leprosy treated himself to an elegant dinner at a refined bistro.

Midway through his meal, he noticed a customer at the next table vomiting into his napkin.

"I am sorry that my condition has disturbed your dinner," the forlorn leper said. "I'll pay my check and leave."

"It's not you," the gagging patron managed. "It's the guy sitting behind you dipping his bread into your neck!"

Question: Why shouldn't you screw your wife first thing in the morning?

Answer: You have all day to find something better.

A black man died and rose to heaven. As he approached the Pearly Gates, St. Peter eyed him suspiciously.

"What's the matter?" the dead man asked. "Don't you allow African Americans in heaven?"

"Yes, we do," St. Peter admitted reluctantly, "but only those who truly distinguished themselves in their earthly lives."

The deceased Negro smiled. "I was the first black man to marry a white woman in Tupelo, Mississippi."

"Oh, really?" St. Peter said. "When did you do that?"

"About five minutes ago," the man replied.

PEEP-a-BOO

Grabbing Snatch at Times Square's Last Great Sex Emporium

HANDS-ON REPORT BY SELWYN HARRIS * ILLUSTRATION BY GODFREY DANIELS

Times Square, New York City's famed hub of sleaze, has undergone a Disney-fied face-lift. Porn shops and live sex shows—once the lifeblood of these blocks—are becoming extinct. Showfollie's Peepland is a last bastion of top-shelf lechery, a perv's paradise where model-quality Eastern European refugees submit to licking and groping while sick-fuck porn tapes mock legality.

Peepland

Long, passionate tongue-kissing and anal thumb insertions do happen, but such transactions are relatively unusual and probably expensive, perhaps running as high as \$12.

They are unspeakably beautiful, these girls. Young. Luminous. Full of life. They are soul-deep seduction made of long legs, round butts, flat bellies and lush breasts. Their eyes shine as bright as their smiles gleam broad. Some are lanky and lithe, some are voluptuous, some are athletic, and some are petite. Many are all that and more. They are blondes, brunettes and redheads; elegant glamour queens, ethereal lust nymphs and vinyl-wrapped hussies. Take your pick. These are dream girls—yours, mine and everybody's—and at Showfollie's Peepland, the last festering porn emporium in the heart of New York City's Times Square, they're all yours. For three bucks.

The "models" and "dancers" at Peepland are unlike NYC's traditional narcotics-ravaged, stroke-house floozies, because they are, well, actual models and dancers. And jaw-dropping gorgeousness is only part of the difference.

Except for some equally alluring South American immigrants, Peepland's tits-and-ass supply is directly pumped in from Russia, Serbia, Georgia and the many other former Soviet republics now known, collectively, as war-pillaged, crime-strangled, do-anything-to-get-out-

of-there Eastern Europe. They are refugees, these ravishers, and Peepland is their asylum. Peepland, USA, where the price of freedom is extracted one grimy palm at a time.

Peepalive is what packs us in at Peepland. The concept works like this: You enter a closed-door booth and feed a dollar into a slot, which raises a shade, at eye level, over an open window. Through the now empty space, you see a carpeted stage containing any number of naked girls on the other side, each of whom inquire if you are tipping. You are. For three more dollars, the nudie of your choice then places her breasts or buttocks (again, your call) into the window, whereupon, as it's stated in the ground rules, you may engage in polite touching. Any contact beyond that is up to the lady—and against New York City laws. *Ha!*

Typically, stink finger or nipple licking runs about a fiver, and reach-down, manual johnson relief frequently comes for a ridiculously reasonable ten spot. Long, passionate tongue-kissing and anal thumb insertions do happen, but such transactions are relatively unusual and probably expensive, perhaps running as high as \$12.

Peepland at noon on a Friday is a boomtown. Midtown Manhattan business

executives swarm the place, hurriedly storming the feel-up stations or perusing hard-core slap mags for pop-off fodder before lunch hour is up.

Dark-skinned mop jockeys patrol the 164-channel video booths, where German shit-eating and animal-fucking films play alongside Japanese schoolgirl rape tapes. The sound system pounds loud disco/salsa while neon fixtures flash and whirl. "Come o-o-on, fellas!" unclothed nubile cry. Some of the girls climb atop the splashy Peepalive booths and shake their nakedness. They want those green-backs bad. And they get them, three at a time, lots of them. But not for keeps. These women work hard for somebody else's money.

"I paid my way through college as a dominatrix," divulges Peepland feature performer Delilah Blue, "and I got my master's degree in linguistics dancing nights at Show World while I was also teaching eighth-grade English. Now I'm working on my second master's here doing lesbian shower shows."

Delilah Blue, born and raised on Staten Island, is small and exquisite, with dark hair, deliciously torpedo-shaped tits and a pert, perfect rear. Her education credentials are legit, but so, I think, is my diagnosis of her as insane.

"I never let the guys touch me," Delilah explains. "Most often, I work the one-on-one booths where we're separated by glass, and I talk dirty to them over a phone. I have one regular who beats off asking me what I ate the night before and what kind of turds it made. And you wouldn't believe how many freaks lick the glass! It's most fun doing two-girl shows, even though, in real life, I'm not at all attracted to women. But pay me 150 bucks to get fisted at a bachelor party, and I'll be all the lesbian you want!"

To reach Peepland's live, nude level, visitors ascend a staircase lined with photographs of vintage strip legends, such as Lili St. Cyr and Blaze Starr, as well as numerous no-name flesh bombs who have gyrated on the premises more recently. Delilah's performance forum, a spacious, inviting shower stall situated in front of a comfy couch, is to the right of the second-floor entrance.

"Most of my job is lying on the couch, trying to enchant customers as they stumble in," Delilah says. "They usually go straight to the Peepalive windows, where the girls will ask them if they want a shower show. Sometimes they come right to me. Either way, I get wet a lot."

"At no time was there a relationship between Ms. Lewinsky and myself. She blew me a few times, but I wouldn't call that a relationship."

PHOTOGRAPHY BY CLIVE McLEAN

"Let's face it," says nude newlywed Shayla. "I married a geek. Oliver's idea of a romantic Las Vegas honeymoon is to stay in our room and jack off over a copy of *American Botanist*."

"Thank God I met my soul mate at the hotel pool. Ted's an exhibitionist like me. He understands my desire to be rimmed in broad daylight."

Ted spreads his married mistress's firm ass cheeks. "When you love someone, what's wrong with a little public display of perversion?"

Peepland

(continued from page 88)

A pretty Bosnian girl, calling herself Pamela, enters and smiles. She lifts her nightgown and sits smack down on the commode's waste-encrusted, ice-cold porcelain rim. She pees hard.

Delilah most often shares the soap with a tall-samovar-of-vodka named Lena. Lena speaks little English, but Delilah's Russian is passable. They have become friends while sucking each other's cunt for money.

"I am from Leningrad," Lena tells me through Delilah, "my family was not that poor. My father managed a ceramics factory. Most of the girls I came over with were very poor, even starving. We get here the same way, though by different agencies. Some place ads, some you just hear about. You agree to work for them, and they fly you over, or you come by boat. Then they set you up in an apartment, and you owe them."

Lena has no interest in revealing who this *they* might be, nor will she say how much money she is required to pay them, or for how long. Her two-bedroom living quarters, which she shares with three other imported sex workers, is in Brooklyn's remote Brighton Beach, a neighborhood that has become synonymous with Russian organized crime.

Lena is thankful her agency made good on its promise of delivering her to America. Other hopefuls, she has heard, land in China, Pakistan, Africa or Arab states. She assumes those unfortunates are not free to knock off once their shifts end.

Delilah, Lena and I chat "backstage" at Peepland. We are in a filthy bathroom with a filthier, seatless toilet. Rats so huge that midgets could ride them like Shetland ponies make mad-dash appearances. A pretty Bosnian girl, calling herself Pamela, enters and smiles. She lifts her nightgown and sits smack down on the commode's waste-encrusted, ice-cold porcelain rim. She pees hard.

"Pamela moved to the States with her whole family. She's legal. She used to strip at Billy's Topless," Delilah recalls, "but her father kept coming to see her and bringing his friends. She didn't like it. I thought it was hot."

* * *

There is no changing area for the talent at Peepland. They make themselves up onstage, painting their nails and smoking cigarettes when they can grab a moment between getting grabbed. The effect is quite charming. As a horndog squeezes ripe Croat casaba, he can peek over to see delectable sweeties applying lip gloss and checking their assholes for dingleberries. And the price is right.

The shifts change at 4 p.m., guaranteeing fresh mittfuls for masturbators who may have stopped by at midday, even though the morning girls are not required to leave. Most of the honeys

work 12-to-16 hour stints most days of the week, making as much money as they can physically stand. The girls receive no regular salary for their Peepland duties, just a portion of their tips. They can be fined for being late, being too loud or showing up ugly.

Mila, a drool-inducingly curvaceous strawberry blonde, pinches a teeny flesh roll on her belly and expresses grief about newfound American excess. She was born in a Czech Republic village where, she laments, "We did not have ice cream like I do now." Mila was skinny, she says, very hot. Then she oinks and takes the stage.

Not all the girls succumb to so benign an addiction as Häagen-Dazs. "As far as drugs go," Delilah says, "this place is pretty good, meaning management is serious about keeping them off the premises. Les Gals, which is now closed, was essentially a crack house. Girls would shoot heroin or smoke coke while guys were feeling them up. They kept their pipes and syringes right above the Peeplive windows! But with Giuliani as mayor, it's a fucking miracle we're even allowed to stay open; so the bosses are very careful. If they see a chick with track marks, or if she keeps coming in messed up, they send her home or make her work one of the joints on Eighth Avenue or in the outer boroughs. It's like being demoted to the minors."

Delilah is called away to do a shower show with Lena. Their patron, a mook in Armani, looks ready to spend. I amble about Peepland's sprawling confines, which are decorated in high-gloss, low-rent Circus Circus chintz. It's very noisy. In front of some jerk-off chambers downstairs, a rough-hewn array of gays stands anxious to service hormone-charged, erstwhile heterosexuals who make the disastrous decision that a mouth is a mouth is a mouth. One fey codger pops his dentures in and out, hoping to entice passers-by with the prospect of a gumjob.

I settle—alone—into a five-screen-equipped video cubicle. After donating a pocketful of 25-cent tokens, I flip by eel/human intercourse, blood-drawing bondage, obese nude wrestling, men in dresses licking young boys, bathroom atrocities, a title card reading THE GAY HORSE, and then I finally settle on an extremely convincing Dutch mother/daughter team who take their clothes off very slowly (costing me lots more tokens) and lie on top of each other. A reminder appears on-screen, after I'm done, that all tapes are available for purchase. It is not

Peepland

(continued from page 98)

What were dozens of the most sumptuous women I have ever laid eyes on—let alone made a mess of with my clammy meat hooks—doing in a place like this?

legal to own, distribute or even view any of what I have just witnessed and/or whacked off to anywhere in the United States. Peepland makes its own rules, apparently.

How is this possible? How can video-cassettes that make good on titles like *Shit Rape*, *Elbow-Deep* and *Pig-Fuck Weekend* be brokered with such impunity? Then, as my erection returned, I pondered a far greater conundrum: What were dozens of the most sumptuous women I have ever laid eyes on—let alone made a mess of with my clammy meat hooks—doing in a place like this? The ugliest of Peepland's paw toys look like top-of-the-line triple-X starlets. The best of them blow away supermodels. Why weren't they on high-fashion runways or spreading for HUSTLER centerfolds or at least working upscale nude clubs, like Scores?

"A deal is a deal," explains Marta, a breathtaking, 23-year-old Georgian who looks like a filled-out, olive-skinned Mila Jovovich. "You make a bargain, and you stick with it. Not because you want to, because you have to. Peepland is, you know, the jewel of a certain network of businesses. We come here as employees of those businesses. It makes a girl feel good when they ask her to work here.

Girls who are not so good-looking, they work in bad places, dangerous places."

"Marta," I fume, "Peepland is a dump."

"You don't know dump." She smiles back. "Not when you live in this country. Georgia, Russia, fucking Bosnia or Albania—those are dumps. You have no idea. I hope, someday, to be an actress—the usual stupid dream of girls who come to America—but I chose this. I am not allowed to work anywhere else right now. No one knows I am in this country, and the people who brought me here would not pay to send me back if I started trouble. You understand? I am provided for, and sometimes the men can be sweet and very generous. I get jewelry and flowers a lot."

"Would you ever date a customer?"

"No," she insists. "I have a boyfriend in Georgia who is trying to get here. I send him money. Most girls send money to the people they left behind, usually their families. I do not miss my family though. Fuck them, you know? To answer your question, some of my friends meet their customers outside, but I think they are crazy. They might get presents or money, but we deal with lunatics all the time. Even regular boys who get too excited can be violent."

As though on cue, a ruckus arises.

Some perv refuses to let go of a dancer's D cups. She screams, and security—two terrifyingly large Hispanic men—tear the door off the booth and yank the perpetrator out onto the tile floor. Shouting ensues. The chubby dork, wobbling to his feet, squeals about getting a cop. Indian change-making guys yell that, no, they're getting the cops. Fatboy knocks a row of stroke books over and then runs outside. The bouncers chase him.

"I can't believe that just happened," I chuckle.

"I can't believe it ended so fast," Marta sighs. "People get fired up on Friday nights. That's how I remember what day of the week it is."

"What about magazine modeling or doing adult videos?" I ask. "You could live in L.A., get famous, dance at the best venues across the country..."

"Why don't you ask the men who come in here if they want to be photographed?" Marta suggests. "This is very shameful, what we are doing. Don't think we don't know that. I don't want pictures of me to be seen back home, or for someone to show a movie of me having sex to the children I hope to have someday. Plus, our bosses—they do not want that kind of publicity. We come to America to get husbands and good lives. We do what we have to until then. In secret."

"So is this a good life?" I wonder.

Marta sneers. "Good enough."

Attractive women sashaying in street clothes among the walking erections is a common-enough sight on Peepland's Live Model floor. The parading nubile are live models themselves, arriving for a multihour round of manual manipulation by the loveless mob, or the fully dressed girl is fresh off a shift. Tonight, a lean, brown-eyed looker with tight jeans and near-ass-length hair appears to be a customer. She buys tokens for a Peepalove booth, and I nearly faint at the prospect.

"It happens," Delilah says. "Girls sometimes come in with their boyfriends. Every booth is covered with signs declaring that state law allows only one person inside at a time, but seeing how management ignores the homos downstairs, they definitely look the other way when some doof crams himself and his terrified lady fair into one of the little cubes."

True to Delilah's prediction, a bushy-bearded mook slips up behind the redhead, and they enter a booth together. I hop into the cubicle next to them and pay Marta a couple of bucks to keep my window open

(continued on page 122)

"Of course Bill fucked them! He'll fuck anything! He's a man!"

New York, New York's Chastity harbors a career ambition that belies the purity of her name. The 19-year-old minx is an aspiring porn star. The torrid teen is already practicing for the world of adult entertainment by engaging in creative "finger-cuff threesomes." Whatever happened to good old-fashioned fun, like nude Dungeons & Dragons tournaments?

Photo by Friend

This bewitching young nudist is Alex from Lincoln, Nebraska. The 23-year-old receptionist enjoys in-line skating and boxing. After duking it out in the ring, Alex would love to find a "sexy, legal male virgin and show him the ropes." Remember, Alex, always hit below the belt.

Photo by Friend

This scantily clad tree hugger is Sarah from West Palm Beach, Florida. An 18-year-old chiropractic assistant, Sarah is no slouch when it comes to love. The dirty-blond baby doll would love to have sex with her boyfriend "in front of hundreds of strangers." After all, a stranger's just a pervert you haven't met.

Photo by Boyfriend

Niki is a cyberstripper from San Jose, California. When she's not enriching the world with her God-given talent, Niki maintains her Web site at www.oncamera.com. The 31-year-old vixen aims to organize an orgy with "female lovers over the Internet." Log on, lezzies, and beware of those nasty computer viruses.

Photo by Boyfriend

Spring, a 20-year-old mother from Austin, Texas, softens her G.I. Jane look with just a hint of Lilith Fair gypsy. Having sex in public restrooms and feeling "the hands of men and women" all over her body are only two of this tattooed lady's favorite sensations. Spring is truly a woman for all seasons.

Photo by Friend

Heather from Phoenix, Arizona, is ready for a nice, long shag on the carpet. Helping the visually impaired is only one of the 30-year-old ophthalmic medical assistant's passions. Heather also delights in camping, shopping and sex. Heather's lucky husband will be seeing double when she "shares another woman" with him.

Photo by Husband

Candy, a nurse's assistant from Kent, New York, strives to improve her bedside manner. Candy provides "total care" for her male patients, including grooming, washing and playing games of "oops, I dropped the soap." In addition to rehabilitating the infirm, 30-year-old Candy's sweetest delight would be to service "nine guys fucking all day." Our prescription for sexual deviance: Stay in bed, drink lots of fluids, eat plenty of Candy.

Photo by Friend

Houston, Texas, is home to buxom bombshell Shasta. The 24-year-old adult entertainer has "too many sexual fantasies to list." Shasta digs tanning and hiking, but her most cherished ambition is to become a porn star and "live life to the extreme." Reach for the stars, Shasta!

Photo by Husband

Meet Alexandra, a sultry couch potato from San Diego, California. The fiery, 24-year-old sales manager amuses herself with gemology, mineralogy and mountain biking. This raunchy rock hound looks forward to a threeway with "persons of either sex." You have to spelunk a lot of caves before you discover a gem like Alexandra.

Photo by Friend

A native of Columbia, South Carolina, 23-year-old Terri bared her soul in a moving letter to America's Magazine. The tender trucker pledged to invest *Beaver Hunt* with the same "dedication and pride" she brings to the truck-driving industry. Terri wants to spend her leisure time "having sex with men and women." Turn your CB into a sensual tool, Terri. You'll hook up with a mighty convoy of swingers.

Photo by Friend

Genie of New York, New York, enchants *HUSTLER* readers with her cool, appraising stare. A 20-year-old dancer and student, Genie's dream lover would "kidnap, blindfold and cuff me to the bed...like a bad girl that needs to be punished." Your wish is our command, Genie.

Photo by Friend

Welcoming readers with open arms and legs is Jody, a 34-year-old housewife from Pittsburgh, Pennsylvania. Tan, rested and randy, Jody joins legions of happy homemakers who've fulfilled their lifelong dreams by appearing in *HUSTLER*. Our deepest thanks go out to Jody and all the other ladies who've helped us document the sexual depravity of America's living rooms for more than 20 years.

Photo by Husband

Brownsville, Texas, is home to long-haired dancer Cherry. Target practice and motorcycle riding keep Cherry out of trouble. Perhaps this 23-year-old's ripe-and-ready namesake stems from her desire to be "fucked in the produce department by the produce boy." Cleanup on aisle three.

Photo by Friend

Meet Josie, Bellefontaine, Ohio's most beloved entertainer. This 26-year-old exotic dancer and homemaker lives to please her spouse. Josie plans to someday "pose nude in HUSTLER eating another girl to drive my husband nuts." The lurid performer collects Mickey Mouse memorabilia in her spare time. Josie is the only Mousketeer ever to wear a G-string.

Photo by Friend

Snake handler Sadie Lynn, of Santa Monica, California, works a day job at an employment agency. The 31-year-old leather enthusiast also writes sex fantasies. One sizzling scenario involves giving a blindfolded man her special "head-to-toe tongue bath...but the kicker is, I have two men working me while I'm working him." Barbara Cartland, eat your pussy out.

Peepland

(continued from page 106)

The couple next door are all paws on a meltingly gorgeous South American blonde with impossibly huge and buoyant F cups. The fire-top girlfriend does most of the groping.

for a while in order to listen.

The couple next door are all paws on a meltingly gorgeous South American blonde with impossibly huge and buoyant F cups. The fire-top girlfriend does most of the groping, and I can hear her sleazy boyfriend emoting sweet nasties to her.

"You sick, fucking slut," he huffs. "You like this. You like going to a scummy peep show, feeling up hot, trashy whores. It's 'cause you're a lesbo, right? It's 'cause your whole life, you've wanted titties in your hand and pussy in your mouth."

The salacious breathing grows louder.

"Sweet little girl you were supposed to be," the bearded perv continues. "Only, you were a nasty, nasty bitch. Always having cunt on your mind. You love her big tits, don't you? Isn't that true? Tell me it's true."

"S'true," the agitated redhead squeaks breathlessly. "I'm a lesbo slut!"

I leave my booth. The best part of me stays behind in a hankie.

* * *

Peepland's nudes quit being live at 1 a.m. The rabble that prowls the place beyond that late hour, it has been learned through experience, is not to be permitted within maiming distance of vulnerable female anatomies.

Delilah and Lena look relieved. They won't return until Sunday. Tomorrow evening, they're slated to work a private party for some Wall Street ballbusters. Big bucks can be made. Lena, inevitably, will outearn Delilah. The former's oral favors can be bought in the bathroom, while the latter draws a line at lap dancing.

The girls bundle their belongings and throw on winter coats as Mickey, an unpleasant, dot-head floor manager, flicks an overhead light switch and chants, "*Lessgo! Lessgo! Lessgo!*"

It is decided that our four-ginch, one-me gaggle will retire to Times Square's famous honky-tonk, the Full Moon Saloon. But not just yet.

"Come on," Delilah whispers, "and be quiet."

We tiptoe down a back stairwell into Peepland's basement facility: an open-all-night, old-school XXX movie house, presently split into four theaters. After midnight, half the screens switch to showing karate flicks. The rough-and-tumble audience isn't made up so much of filmgoers as it is of campers. Overwhelmingly, they are homeless men renting a night of indoor warmth for \$7.

There are others. The women—the only women near this black hole of acrid

smoke, rank onanism and snoring riffraff—meet their coke dealer in the ladies' room. While they do business, I unwind before a blurry VCR projection of *Mad Monkey Kung Fu*. Ushers wear yellow vests marked PUBLIC HEALTH INSPECTOR and wave flashlights. Uneasy, I go to take a leak.

Later, when I meet my lady friends by the candy counter, I'm shuddering.

"What's wrong?" they ask.

"That isn't a bathroom," I wheeze, pointing to the death factory I just left, where four men stood dunking their four man parts into one man's mouth all at one time. "It's a bathhouse."

"Let us get drunk and high," Marta jokes. "That always helps everything."

* * *

Except for when the Navy invades during Fleet Week, it seems as though the Full Moon Saloon is exclusively patronized by sex-industry workers, their managers and a handful of neighborhood oddballs. The beer is cheap, and the jukebox contains, it is said, both kinds of music: country and western. The foreign girls I am with love this considerably American art form.

Mila giggles with Full Moon drink slinger Viola, herself an emigré from Poland. Delilah shoots pool in the back. Lena and Marta, after several cocktails and a joint on the walk over, cozy up on a leather-cushioned wall bench. Almost absentmindedly, they make out. Lena, bigger and more aggressive, slips her palm under Marta's baby T, exposing her luscious right hoot.

"Take it easy, girls," Viola warns good-naturedly.

Mila makes her way to the lavatory, undoubtedly to powder her nose. Marta eases in beside me at the bar. "I am horny," she purrs. I know the feeling.

Wordlessly, Marta guides my hand under the counter, between her legs. Her fingers show mine how to clit rub, right and proper. She leans over and kisses me, hard and deep, while I work her nubbin. She comes, quaking and huffing, licking the roof of my mouth.

"Thank you," Marta murmurs.

I remind her that Brighton Beach is a long, hairy subway ride away, and that she's more than welcome to crash at my digs downtown.

"No." She grins. "But you can buy me another drink now."

Marta's next screwdriver is on me, and I dip my used digits into the pint of root beer I've been nursing. These girls reside in a state of mind. Peepland is everywhere they go.

"Pussy is pussy, honey. But to make real money these days, a 'ho needs an angle."

"So you're on your period...that's why the good Lord gave you a mouth!"

Now Possible!

PENIS ENLARGEMENT TO MAXIMUM POSSIBLE SIZE!

MEN REPORT NEW DIMENSIONS OF 9 INCHES... 10 INCHES... EVEN AS MUCH AS 12 FULL INCHES!

You'll see **VISIBLE RESULTS** the **VERY FIRST TIME** you use this system... See how **FAT**, how **LONG**, and how **HARD** and **stiff** your own penis can become!

THE WORLD'S FIRST "RESULTS-ORIENTED" SYSTEM: Tested and Proven to give you **MAXIMUM GAINS** in **MINIMUM TIME!**

Extensive research brings you a system that takes the guesswork out of enlargement. We are the only system that incorporates: a state-of-the-art pump (2 models available), PLUS a patented "erection sentry," PLUS an instructional manual on maximum enlargement techniques and ALL THIS at a price that is literally 1/10 of what you would expect to pay.

"I couldn't believe it at first; how big it got in so little time. I had to blink my eyes... was that huge, throbbing pole in the tube REALLY my penis? Well... it was, and since that time I have used the **MAGNUM PRO** to make it **BIGGER** and **BIGGER** every time. Working out with the **MAGNUM PRO** is addictive..."

-Brad Poneran, Milwaukee, WI

VISIBLE GAINS IN SIZE:

GETTING THEM is only half of the battle; **KEEPING THEM** is why we're the best.

The male erection is caused by blood flowing into hollow caverns in the penis. The caverns fill with blood and the penis grows in size and thickness, becoming stiffer as well. Our system not only enables any man to increase the capacity of these caverns by allowing them to hold more blood, but our revolutionary **SENTRY Prolong Ring** allows you to keep that **FAT, BULGING, ROCK-HARD ERECTION for as long as you want**. When you've pumped yourself up to the size you like, slide the **SENTRY** onto the base of your penis and let it stay there, guarding, maintaining, keeping your **POWERFUL, THROBBING ERECTION** through intercourse and beyond. When you are satisfied, you simply release the **SENTRY** with one hand! It's that simple!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all that the **EXCELO System** with **SENTRY Prolong Ring** does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system (2 models to choose from) is a truly unbelievable bargain at the price offered.

THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - THE EXCELO SYSTEM GIVES YOU BOTH!

Made in the U.S.A., these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

2 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

NOTE: All pump models include "MAXIMUM GAINS" How-to instructional manual.

The only complete penis enlargement system that includes
step-by-step instructional video and magazine used successfully
for 25 years with more than 10 million satisfied customers.

Super-Stud John West
Starring in the full-length
feature video,
"The Pleasure Principal." *

The following photos
dramatically demonstrate
how using our deluxe
pump can give you a
larger, thicker, and
much longer penis.

• The soft, small penis is only
about 3 inches.

• The penis is now about 5
inches, about 40% of his
maximum potential.

• The penis is about 9 inches
or about 80% of his
maximum potential.

• The penis is removed from
the pump and is now a full
12 inches.

**Here is why our complete penis enlargement system
works where others fail.**

A complete penis enlargement system should include an
instructional video and magazine. The easy to follow step-by-
step instructions shows you how to use the penis vacuum
pump. You will see how other men succeed so you can be
successful with your penis pump.

Our deluxe super vacuum pump creates more vacuum than
any penis pump available anywhere at any price. It is the
vacuum that is created in the clear cylinder that expands and
enlarges your penis thicker, harder and longer than you ever
dreamed possible.

**There are 3 other pumps available from mail order dealers
that do not create the vacuum you need to be successful.**

1. The squeeze bulb pump - a small inexpensive foreign
import that uses a little bulb you squeeze but **does not create
enough vacuum to enlarge the penis.**

2. Pump and prolong ring combination - This type of pump
does not create enough vacuum to enlarge the penis. A hard
plastic ring is squeezed on the penis to try to maintain a
semi-erect penis. The ring can actually restrict blood flow to
the penis.

3. The electric pump-various models sell for about \$35 to
\$100. This is a converted fish tank aquarium pump that has
been changed to suck air instead of blowing bubbles. A small
motor that gives you vibrations and massaging but **does not
create enough vacuum to enlarge the penis.** **To be successful
you need our 'made in the U.S.A.' deluxe super pump with
the extra long 10 inch remote plunger piston assembly.**

Men report enlargement up to 9, 10, and even 12 inches is
possible. Watch your penis grow thicker, fatter, stiffer and
longer when you use the world's largest selling penis enlargement
system sold directly to you from the manufacture.

"My name is John West. I'm an actor in adult movies. Thanks for
making the most fantastic pump I've ever used. Your pump and only
your pump gives me the erection I need, when I need it. I really
enjoy those extra inches and the girls in my movies really love my
thicker, stiffer, longer penis. The pump is so good I never need a
prolong ring or cock ring to stay hard as long as I want."

**Do not accept any substitutes. This is the original complete
penis enlargement system. Successful results for 25
years with more than 10 million satisfied customers!**

Iris

EROTIC ACROBAT

PHOTOGRAPHY BY JOANIE ALLUM

Sensual contortionist Iris was displayed like a caged animal in an Appalachian carnival until she escaped with a wealthy podiatrist.

"Finally, a man who appreciates my talents," Iris gushes. "Dr. Chisolm begs me to soak my feet in hot water and work his dick between my warm, soft arches. After he comes on my digits, I spread my toes and lick it off. I'd do anything to please Dr. Chisolm—foot-fuck him in the ass, cram my little tootsies down his throat. I just hope he doesn't forget how snug and wet my pussy feels."

HUSTLER®

SULTRY SIRENS

Bang the bell, and slide down the pole. August's HUSTLER smokes with a four-alarm blaze of ball-blistering hotties. A buxom brunette spreads her legs for a bareback ride that breaks the spirit of her horny stud. A snooty sorority girl soils her school record and indulges in the forbidden fruits of the ghetto. An artistic blonde finger paints with her natural juices and stains her bed. Two horny, blue-collar betties bet their bodies in a nasty game of strip poker. Palm your ax, and don a raincoat. August HUSTLER wrenches the nut off gushing hydrants.

TOP TEN SEX CITIES

Cruising hookers on payday is as American as a prom-night blowjob. However, in recent years, prostitution has fallen on hard times. Daunted by the fear of AIDS or arrest, millions of would-be johns shun sex from the street. The quantity and quality of curbside coochie has suffered. Despite the downswing, the world's oldest profession thrives in several U.S. cities, with pussy prices at an all-time low. In *America's Top Ten Cities Selling Sex*, HUSTLER correspondent Larry Wichman bankrolls a seed-spilling shopping spree and educates consumers on helpful hints for smart whoring.

HOLLYWOOD GOES GONZO

Twenty-five years ago, Raoul Duke packed a medical bag full of illicit drugs, a .357 Magnum and his attorney into a red, convertible Buick, roaring off to the desert in search of the American Dream. This summer, the drug-addled journalist's journey through Sin City comes to a theater near you. Hunter S. Thompson passes his signature cigarette holder to Johnny Depp for the upcoming film version of *Fear and Loathing in Las Vegas*. HUSTLER correspondent Kevin P. Simonson visits Thompson's hidden fortress in Colorado and goes line for line with the thinking man's outlaw. Learn the behind-the-scenes stories from the top-secret set of this summer's counterculture blockbuster.

DRENCHED WITH DESIRE

In chat rooms across the nation, an ever-increasing number of one-handed typists successfully seduce females to come in from cyberspace. In August's *Sex Play*, "Waxing on the Web: A Service Manual for Online Hookups," HUSTLER computes the pros and cons of using technology to troll for trim. *Bits & Pieces* puts the passion back in fashion with an extraspecial swimsuit spread. *Erotic Entertainment* samples XXX star Shayla La Vaux's velvet folds before she sells herself for mass consumption. August is the hottest month of the year. Dunk your head in America's coolest skinny-dipping holes.

August HUSTLER on sale June 2, 1998.

Jacqueline Kennedy Onassis wore many mantles in her life: an accomplished equestrian, a lover of the arts, the First Lady, a national celebrity of fashion and style, the wife of a billionaire. In 1975, HUSTLER made Jacqueline Kennedy Onassis a sex symbol.

HUSTLER's August '75 issue premiered the first color portfolio of a nude Jacqueline Kennedy Onassis ever to appear in the American press. The bold and controversial photos of Jackie O symbolize the reason HUSTLER continues to be an American success on its 24th anniversary: adherence to uncompromising standards of excellence for more than two decades.

Jacqueline Lee Bouvier was raised in the wealthy, privileged surroundings of New York, Rhode Island and Virginia. Educated at the best private schools, she wrote poems, rode horses and studied ballet. At an early age, young Jacqueline's mercurial personality set her apart from her peers.

She attended Vassar College. After studying abroad at the Sorbonne, in Paris, for a year, Jacqueline graduated from George Washington University in 1951.

Working as an inquiring photographer for the *Washington Times-Herald*, Jacqueline interviewed rising political star Senator John F. Kennedy of Massachusetts. Their romance progressed slowly and privately. John Kennedy married Jacqueline in 1953. The extravagant wedding in Newport, Rhode Island, attracted nationwide publicity for the young couple.

When Kennedy was elected President of the United States in 1960, Jacqueline became the center of world attention and curiosity. Even more so than her husband's popularity and political success, the Jacqueline mystique led

HUSTLER'S JACKIE O

many to view the Kennedy family as America's royalty.

A socialite and sophisticate, Jacqueline drew admiration from a nation that saw the First Marriage as a story-book romance. Jackie brought beauty, intelligence and cultivated taste to the role of First Lady.

Millions of women emulated Jacqueline Kennedy's clothing and hairstyles. Popular press portrayed Mrs. Kennedy as a model to young mothers. Jacqueline Kennedy symbolized the epitome of composure, charm and grace to her fans and supporters.

On November 22, 1963, Jacqueline sat next to her husband in the Dallas motorcade. An assassin's bullet struck and killed President Kennedy. The nation mourned the death of its youthful leader. Jackie accompanied the coffin to Washington and walked in the funeral procession. Mrs. Kennedy's poise and courage during the tragedy won her the admiration of the world.

Moving out of the White House, Jackie sought obscurity. Curiosity about her private life remained strong. Famous for her reticence, Jackie declined interviews. She refused to comment publicly on her personal affairs or her past with the late President.

In 1968, the nation's widow found herself society-page gossip when she announced her plans to marry billionaire Aristotle Onassis. The wedding upset the nation. Jackie wasn't just a widow; she was the mourning wife of one of America's most beloved presidents. Many Americans saw Jackie's marriage to Onassis as a kind of treason against the memory of a president slain in the prime of his life.

In the spring of 1975, an Italian paparazzo approached Larry Flynt and the burgeoning HUSTLER with astonishing photos of the former First Lady. The photographer had spent several days in a boat off the Greek island of Skorpios, watching the private estate of shipping magnate Aristotle Onassis. From his clandestine location, the photographer snapped a series of revealing shots with a high-power telephoto lens.

According to the photographer, Jackie O walked out of the mansion with nothing more than a towel draped over her bronze skin. The paparazzo took 48 full-color shots, with

full front and rear nudity, of the former First Lady in flagrante.

The photos were first offered to *Playboy* and *Penthouse*. Both Hugh Hefner and Bob Guccione shied away from the controversial proposition. The Kennedy name was powerful. Senator Ted Kennedy was making a strong bid for the White House. Mainstream advertisers may have objected to the disrobing of American royalty and pulled their financial support.

Flynt quickly negotiated a price. Knowing that *Playboy* and *Penthouse* both declined, Flynt bought the pictures for \$18,000. "The best investment I ever made," he claims in his autobiography, *An Unseemly Man*.

Flynt was confident that *HUSTLER* ran no risk by exposing the nude pictures of one of America's privileged. Jacqueline Onassis was a public figure. She would not want to litigate such a high-profile matter with the world watching.

Flynt selected five of the best photos. He ran four of them full-page, along with a brief biography. The pictures had been taken when Jackie was 41 years old—elegant, slim and dignified. Expecting high sales, Flynt added an extra 250,000 issues to the magazine's print run.

The Jackie O issue of *HUSTLER* caused a national uproar. The magazine sold more than a million copies in three days, making Larry Flynt a millionaire. Every major newspaper and news-magazine in the country, including *Time* and *Newsweek*, trumpeted the news of *HUSTLER*'s sensational photos.

A *Charlotte Observer* article stated, "Don't be shocked if you see a gray-haired grandmotherly type buying a copy of the August issue of *HUSTLER*, the national men's magazine. That's the issue that has five color photos of Jacqueline Kennedy Onassis in the nude, and local bookstores say the magazine has become strikingly

popular, ignoring sex and age boundaries, since the latest issue hit the stands on Monday."

The August '75 issue of HUSTLER crossed all sales demographics. Retailers reported that 60% of the purchasing population were women. One retailer reported, "Little old ladies want to see Jackie O too."

In HUSTLER's home state of Ohio, a local Columbus TV station, WBNS, witnessed governor James Rhodes purchasing a copy of America's Magazine. The governor explained that he had bought the magazine for himself in the interest of "scholarship." Rhodes had written a book on first ladies in America. He explained he was entertaining the notion of writing a book about Jacqueline Kennedy Onassis. HUSTLER's photos certainly contributed greatly to his research.

From an initial paid circulation of 160,000 in July 1974, HUSTLER sales exploded after running the nude photos of Jackie O to nearly 1.5 million. The August '75 issue of HUSTLER catapulted Flynt and HUSTLER into contention with *Playboy* and *Penthouse* as the number-one adult publication.

Flynt and HUSTLER gambled and won. The ex-First Lady never attempted to take America's Magazine to court.

Interviewed about HUSTLER's success with the Jackie O photos in the February 16, 1976, issue of *Newsweek*, editorial director of *Playboy* Arthur Kretchmer's erroneous statement rings hollow and smacks of jealousy: "HUSTLER's appeal is an outlandish fringe appeal that will quickly run its course."

Nearly a quarter century later, HUSTLER is still strong. To celebrate our 24th anniversary, HUSTLER proudly displays 32 previously unavailable photos of the queen of Camelot, Jacqueline Kennedy Onassis. 🍷
